Our Salute to Twenty-Five Years of Change

It all began "25" years ago. The school on the hill was dedicated as the Junior League Country Club for students. With such an important beginning, Governor Robert E. Smylie, Superintendent Rulon M. Ellis, and E. Roland Harriman, railroad magnate, were on hand at the dedication. Speeches and congratulations awaited the first student and staff.

In Pocatello the one level, ranch style, flat roofed, unconnected California style building structures were designed by architect Grant Brower. Placing these structures on the town's east foothills made a beautiful, sprawling high school education facility. The most unique structure was the round Harriman Library, named after its benefactor E. Roland Harriman.

Since that beginning, Highland experienced growing pains and out-grew the original facility. Building C, the office and science quarters, expanded adding three classrooms to the main floor and adding three classrooms plus a storage room in the basement. Building E was constructed including an auditorium capable of seating 600 spectators. B building was enlarged, adding four classrooms. Throughout the construction changes the unconnected California style layout has been maintained. Although the physical plant has undergone many changes, several traditions are still the same. The Ram was and still is the mascot signifying "one who reigns supreme."

The yearbook is still called the Highlander while the newspaper remains the Rampage. The loyalty song lyrics, created by Bill Phoenix, remain intact. Highland stands proud on the hill. So what has changed? Just about everything else. All the students that began here have moved on. All the staff that began here moved on except one. Who is that old timer which has witnessed twenty-five years of change? John Buchholtz stands alone,

and even he took a two year leave of absence to work on a Doctorate degree in Canada.

At Highland there has been a 100% student and staff turnover; however, the excellence that began here in the fall of 1963 is still being carried on with a new generation of personnel.

Social events underwent a few alterations also. The Highlight Dance with Queen, Carol James, of our first year has now become a Homecoming Dance honoring Angela Anderson as the 25th Queen. The Band Ball, a formal dance held at Christmas hosting a live band, has been eliminated. The girls' dance teams have been discontinued. A group of uniformed girls sitting in a cheer section called pep club has been dropped. Future Business Leaders of America, Future Nurses of America, Boys' Council, are clubs that no longer exist for students.

So what has been added? Wilderness Club, Rodeo Club, Office Education Association, Vocational Industrial Clubs of America, Highland Industrial Arts Clubs, Scotties, and Bagpipers provide new experiences outside the classroom so students can explore just about any imaginable interest. Sports began like most new school programs. One loss was followed by another as was exemplified by our two most prevalent sports; football ran up a perfect winless season and basketball went 8-18.

Now some 25 years later football has entered the hall of fame by winning the State A1, Division 1, large school Championship. Earning the championship this year, we were able to record that honor for the fourth time. No longer can we speak of basketball without a sexist adjective. A distinction must be made between boys' or girls' basketball. The boys have won State twice; however, the anniversary year was not one of these. Girls, on the other hand, after entering this field of competitive

sports, have taken state three times and as we go to press, are on the verge of number four. Check the sports section for an update. Both boys' and girls' cross-country are State Champions this year. For the boys, this was their 6th championship and the girls recorded their 2nd.

The equal rights of the feminists movement in sports are supported well at H.H.S. Approximately 300 fans support girls' basketball while 400 support the boys. Once boys had all of the athletic limelight; it is now shared with the girls as they show their athletic talents in volleyball, tennis, track, golf and basketball.

The academic program, which met the needs of our first student body of 750, now serves 1450 with a staff twice the original number. Reading, writing, and arithmetic are still taught but in an enhanced manner. Hand or mechanical learning aids have given way first to electrical devices and now to electronic innovations. Perhaps the most obvious example is in the business department where the manual typewriters were replaced with electric ones. Now electric typewriters are being replaced with computers, providing proofreading capabilities prior to printing data on paper.

With the electronic revolution now underway, students are both expected and required to do more prior to graduation. Early graduates needed only 36 credits to walk across the stage. Now 40 credits are needed to meet graduation requirements providing speech, humanities, reading and extra English are included. Of course, a C average must be maintained in the core group of speech, math, reading, and English.

Prior to saluting the graduation class of 1988 on this our 25th anniversary, may we encourage you to continue in the winning tradition and always remember, "Right Attitude Means Success."

HIGHLAND HIGH SCHOOL FIGHT SONG

It's for Highland we are fighting,
It's for colors black and white,
As our Ram goes out before us
We will fight with all our might.

As our team brings in the victory
On the field or in the gym,
Highland's team will be victorious
And the trophies will come in.

It's for victory, honor, valor
And the price we run the test,
As our school up on the hill will
Always be far past the rest.

And the victories we take humbly,
Losing comes without regret,
And we do all these things gladly
For Highlands best school yet.

BUD

When you say "Rams"
You've said a lot of things nobody else can say,
When you say "Rams"
You've said you care enough to only want the best of teams.
There is no other one, there's only something less
Because the Highland Rams are beating all the rest.
When you say "Ram Power"
You've said it all!

LOYALTY

Highland we're loyal to you
Highland we'll stand beside you
To the black and white we're true
Highland we're true for Highland.

First place a victory best place
Our Rams will show the best taste
Victory is ours forever
Ours for Highland High.

Highland upon the hill our
Highland and Rams are best still
We are the students always
Loyal and true.

And as for learning and honest labor
Our Rams will stand the measure
The best in all the land
We know is Highland High.

100 to 200 Years

Over 100 years ago, in 1885, School District No. 25 had their first school. It was on Harrison Avenue and operated until 1892. It was a two-story building called Company Row.

In 1887, on October 17, the first tax supported school was established. It was created by the Bingham County commissioners and the superintendent.

100 years later, in our schools, the students are learning about their forebearers who made education possible.

In 1947, our District's title became Class A, School District No. 25. Later, in 1967, the name was cut down to just School District No. 25.

The next schools to be built were: Lincoln, Emerson, Whittier, and Tyhee, all of which were erected from 1910 to 1914.

All schools built up to 1900 were two-story buildings, after which, one-story buildings, became more popular. The first junior highs were one-story. Franklin Junior High was built in 1923 and soon after, Irving came into use.

What is now Pocatello High School, was the place of Westside High School, which was destroyed by fire in 1914. Another school destroyed by fire was Irving Junior High in 1949, later to be rebuilt to use again.

Lunch programs were established in the 1930's, at which time the cost was just 10¢ per day. The times have changed of course, and the District now employs 108 workers to feed about 8,000 students.

In 1952, it was noticed there was an increase in dropouts so they suggested the addition of woodworking, mechanics, and other vocational classes for both boys and girls.

Today in 1987, the education program has furthered even more. Students are able to pick electives to suit their career goals. This has kept students more interested in continuing their education.

With the construction of "Company Row," our first school in School District #25 was born.

The first high school, "Westside High School," burned to the ground on December 16, 1914.

Pocatello High School was erected in the ashes of Westside High.

Celebration Time

Professor David gave status about our nation's constitution.

1776 was a year to remember. At the American Revolution, one of the most important years ever. 200 years ago, the United States was born. The document that gave us our inalienable freedoms we deserve. In establishing a constitution that we agree with was not easy. It began with the signing of the Declaration of Independence. During four years, they wrote the

least 50,000, 6 days a week, keeping a new government. It was not until 1787 that the power was divided into three branches: legislative, executive, and judicial. The ratification of the document was a point of persuasion. It finally became an independent country. We are assured that the first ten amendments, known as the

Bill of Rights, give us such freedoms as freedom of speech and the right to a fair trial. No other country has ever had a constitution as good as ours. We have a unique and greatest national deliberation that the world has ever seen. It was a work of collective wisdom that still continues to guide us at

Homecoming Burns With Pride

The 1987 Highland Homecoming week commenced on Monday, October 5 with the traditional painting of the three class rocks. There was quite a turnout for each class and soon the rocks were covered with names. The spirits were running high on Monday and everybody was all riled up for Tuesday.

Tuesday brought out the animals in some of us with sixties and Animal House day. The most spirited people wore those groovy sixties styles while others didn't bother to get dressed, they just wore their bedsheets in the form of togas. Tuesday also brought out the entertainers with lip syncs performed by the student government at lunch in the quad. It was a battle of the halls after school on Tuesday, that is the Senior, Junior, and Sophomore halls. Black, red, and white crepe paper and many signs were plastered to the walls in each hall in order to raise school spirit for the upcoming football game against the Blackfoot Broncos. The spirited juniors came out on top of the decorating contest while the seniors came in second place, and last but not least the sophomores came in third.

With Wednesday came the wacky sophomores dressed up like their favorite nerds. Poindexters, Gilberts and Melvins roamed the halls of Highland. The seniors and juniors were dressed for success with their shorts and shades as they sat and basked in the noontime sun while watching the student government's new lip syncs. The 1987 Homecoming Royalty was announced at Wednesday's assembly. Angela Anderson was crowned Homecoming Queen with Mary Carlson as Senior Attendant, Michelle Nelson as Junior Atten-

dant, and Shelly Dubbe as Sophomore Attendant. A pizza bash was held at Shakey's Pizza Parlor later that evening.

Highland became the land of enchantment on Thursday with Hawaiian day. Shorts, shades, and grass skirts set the scene for this fun day. The heat was on Thursday night as the Rams held their annual bonfire at the fairgrounds. The turnout was large and everyone showed their Highland spirit. The crowd cheered as a Bronco made of hay was thrown into the huge bonfire. This symbolized what the Rams were going to do to the Broncos the next night.

Friday was color day with the seniors wearing red, the juniors wearing white, and the sophomores wearing black. Friday's lunchtime activities included more lip syncs, skits, and a taco eating contest. The pep assembly Friday afternoon really got everybody in the mood for the game. Since it was Highland's twenty-fifth anniversary, many of the past cheerleaders and Homecoming Queens came back to show us how it was done when they were at Highland. Just before the game the Highland Rams held their annual noise parade which was filled with many colorful cars and a lot of noisy people. The noise parade finally ended at the Mini Dome where the Rams would meet the Broncos. The Rams kept the Broncos from scoring the entire game with a final score of 54-0. There was a post game parking lot dance which was held in the cafeteria. The Homecoming Dance was held the following evening in the Highland gym. It featured a pastel color scheme. The dance tickets were \$6.50 and the cost of the pictures started at \$7.00.

Since the founding of Highland in 1963, rallies, sports, and activities have been events of spirit and pride. The sounds of people cheering created a rise in the enthusiasm of Ram supporters spurring on the competitive spirit.

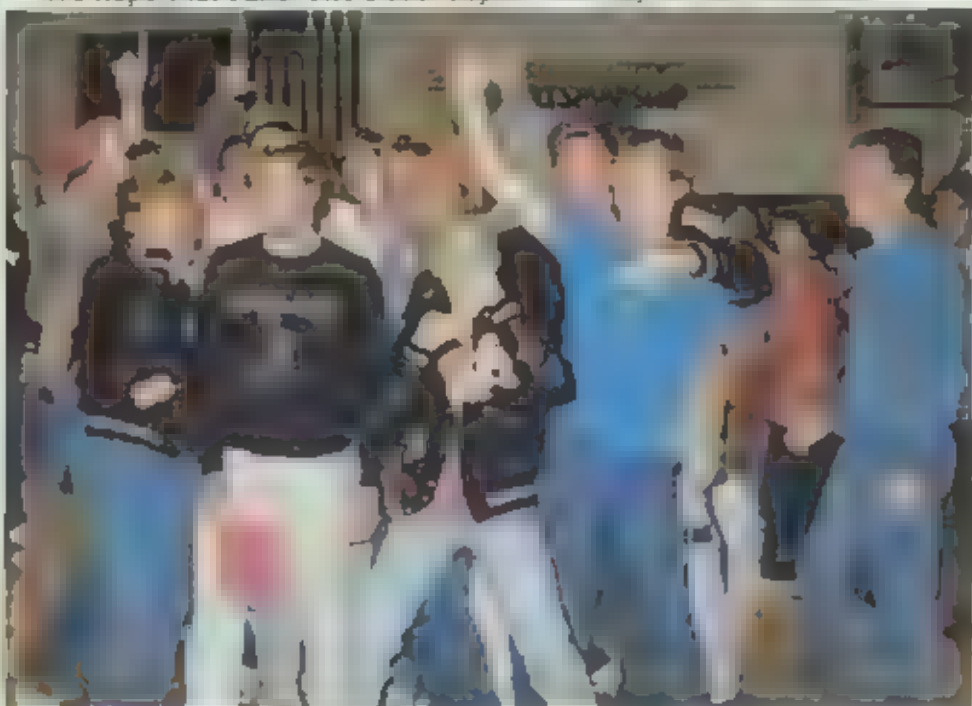

Pep bands, drill teams, cheerleaders, faculty members, and parents all joined together to show their support for Highland students involved in activities. Competition in boys', and girls' basketball, wrestling, volleyball, football, baseball, and academic activities were looked forward to with enthusiasm by their respective fans.

We hope that Jake and Dare's spirit is as big as their muscles.

SCHOOL DAZE

Work, work, work! That seems to be all we do from September to June. If it's not homework in first and fifth then it's homework in second and third. But students at Highland seem to overcome the dreariness of school and let their true spirits shine through. Whether it's in the crowded hall between classes or on the heater during break, students can always be found laughing and having a good time. During lunch, Senior Lawn is the place to be. There is nothing better than spending unch time with friends. Assemblies are another break which students enjoy. The spirit that is generated at these assemblies can never be tarnished. But that's true of everything at Highland, because HHS students know the secret behind the R A M S

AFTER SCHOOL FUN

No matter what you do during the week, you know that the weekend will be spent with friends. Whether we're at home watching videos or at the big dance, we always want to be with our friends. Probably the most popular thing to do on the weekend is to go to a party. There you'll find many friends from school having a good time together — laughing and joking around, playing games or watching videos. Ranking second is supporting the Ram teams. The fans are as important to the teams' success as the players, and everyone loves to cheer for Highland's winning teams. Dancing is another favorite whether it's at a school sponsored dance, or at Pulsar, it's definitely hot! During the warm weather water-skiing, volleyball, softball, and tennis are very popular. And in the winter SKIING is the most dominant activity. Wherever we high school students are found on the weekend, you better believe we're making memories that high school is so famous for!

STUDENTS BURST WITH SPIRIT

During the 1988 school year, student government sponsored many assemblies to promote school spirit and boost the moral of the student body. Some of most memorable assemblies include ones such as the Homecoming, the 25th Anniversary, and the Christmas assembly. Watching assorted students be good sports while playing the games that student govt. made up, always proved to be amusing. Andrea Rivera playing the HHS version of Pictionary, Jeanie Moller shaving a balloon, Dave Orr chasing after Molly McCann, attempting to pop her balloon, Greg Terch modeling the latest in swimwear fashions, and let us not forget the infamous limbo contest,

hosted by "Jamaica Greg", with Alan Tan coming out the winner. Assemblies also included many skits. Mike Shore, Greg Terch, and the crew rappin' as the Fat Boys, The "Basketball Shuffle" done by various female basketball fans, and the favorite with Ram Man tracking down an Indian named Trent Baker. Performances also took place whenever the students gathered together. At assemblies the students watched performances by the Choir, the Lassies, Scotties, and a preview of the spring musical. All and all the assemblies of 1988 were awesome and generally well recieved by the students. The assemblies were great

IF IT FITS WEAR IT!

At least once this year everyone has asked themselves "What am I going to wear?". Many people just roll out of bed and come to school, but others want that special look, that fashionable look. Although the idea was to be yourself and be unique with your clothes this year, there were a few favorites to choose from. In the footwear department, high tops and Birkenstocks were very popular. High tops were worn year round, whether it was for athletics or just for everyday. Birkenstocks were popular with those students who wanted the comfortable fit. Although some styles of Birkenstocks aren't too showy, they are very comfortable. In the clothes department there were many favorites. Let's start at the top. Those button fly shrink to fit 501 levis were the most popular this

year. Levis came in all styles including faded, bleached, stone washed, acid washed, ripped, shredded, and with holey knees. Along with these choices, students were able to choose from many different shapes of the levi material from shorts, to long or short skirts, jackets, and even shirts. This year we had a blast from the past with the return of tie dyed shirts, shorts, and skirts. Some of the brand names that were "in" this year were Guess?, Levi, Authentic Dweebie, Forenza, Benetton, Union Bay, Gotcha, Ocean Pacific, and Esprit. The blonde look was definitely "in" this year whether it was natural or from a bottle. For the girls, long locks were popular and for the guys, short, manageable hair won out above other styles.

Over Here Say Red

The 1987-88 Cheerleaders have had a busy year. The squad performed an exhibition routine for the Idaho Coaches clinic in Nampa. Performing at many assemblies, Homecoming, and other games, the cheerleaders raised the spirits of the Rams. They performed at the A 1 State Football Championship at halftime, where our Rams took home the state trophy. During Thanksgiving they entered the Rocky Mountain Cheerleading Competition in Salt Lake City, where they

took fourth place. And then on to Anaheim, California where they placed third. In March they put on the largest Jr. High Clinic in the history of their clinics which led to the tryouts for next year. Shana Evans said, "This year's cheerleaders accomplished a lot and had a very successful year. We're all proud to be Highland Ram Cheerleaders."

Wild Times

The Highland Wrestling Cheerleaders had a great season filled with fun and excitement. "We had a lot of fun throughout the season cheering for the wrestlers, and Devin the camera man," says Michelle Hoes. The highlight of their cheering season was in February, when they cheered at the state wrestling meet. "The times I enjoyed most were the bus rides to and from the meets," says Staci Hymas. This year the Matt Maids had a rare opportunity to cheer at a H.H.S. vs P.H.S. basketball game, while the cheerleaders were in California competing. "I'll remember all of the wild times, and cheering for the wrestlers especially SUMO (Lance Howell)." Showing great spirit and pride was easy for the wrestling cheerleaders this season.

YOU GOT THE LOOK

The Lassies had a very successful year last year with their competition drill. They won many trophies. The first competition was Fifth District. There they placed first after defeating their cross town rivals the Pocatello Indianettes. They also received trophies for best show, the most original show drill, and best costume. The next competition was the Intermountain Drill competition. This was held in Idaho Falls. The Lassies had preliminaries on Friday night and competition on Saturday. The Lassies again defeated the Indianettes. The last competition was held in Payette, Idaho. The competition began at 7:00 in the morning and ended at 12:00 that night. Although the Lassies didn't take first, they were proud to take home a 3rd place trophy for their competition drill, and their novelty drill. The Lassies had a motto for basketball competition. It was a poem written by the Assistant Leader Shawna Renfro.

Success

Success is the ultimate goal
and commitment a team can achieve
With total commitment
every girl
Shall experience
the sensation of VICTORY

The 1987-88 year for the Lassies was a success and the friends they made along the way will be friends forever.

The theme for the High and Novelty Drill was pirates. This drill placed 3rd.

The Lassies always had the look when performed the drill "You got the Look."

"I think I performed best when I did the Scottish drill. It makes me proud."

The Lassies shouted DANCE at the end of their basketball competition drill.

SUCCESS FOR SCOTTIES

Success was a large part of the 1987-88 year for the Scotties. Under the direction of Naoni Zervas, the flag team participated in many fund raisers including selling Pizzas and Hoagies

Performances included many assemblies, basketball games, the annual Spring Fling, and the Fifth District Drill Team Competition where they took first place in their division

A Ten Hut

The Highland Marching Corps started off the year on a good note. The corps participated in many exhibitions and competitions. Major performances were: LSU's Homecoming halftime, Highland's Homecoming halftime, Highland Invitational, Western States High School Marching Band Invitational, Poky vs. Highland Pre-game show, Minidome Marching Band Invitational Centennial Bowl, and the Division 2 NCAA football championship game. The corps success was based on the amount of time preparing for each performance. The Corps practiced every Monday, Wednesday, and Friday morning from 6:30-7:30, and every Wednesday night from 7:30-9:00. The corps efforts were rewarded by fans who gave their approval for a job well done.

First Class Music

Highland symphonic band and jazz band had many activities this year including some concerts, festivals, and a big tour to Los Angeles in April. On the tour to Los Angeles both symphonic band and jazz band won the first place in their division in CAWS festival. After the festival they performed in Disneyland for "Magic Music Days." Katsuhiro Tsuchiya, foreign exchange student from Japan, played solo on the soprano saxophone in jazz band. He said, "I am happy to be able to play in Highland bands."

Dennis John, Mark French, Alan Stoddard, and Josh Green were practicing ensemble for the contest in Idaho Falls.

HAPPY 25

The 1987-88 Highlander Staff is proud to present Highland with the 25th anniversary edition. The silver anniversary was cause to celebrate and we produced the largest book in Highland's history. The overall size was changed to 9x12 from the previous 8 1/2x11. There are 276 pages in all, representing a 16 page increase over any book of the past. The 25th graduating class also got a special reward, they were the first class to have their senior pictures in color. Other than those 44 color pages there are eight additional in color which include the title page, spirit pages, and two Homecoming pages. Although not a regular annual staff member, Brett Siemen helped us by drawing caricatures throughout the book to add an extra special dimension. The staff worked hard to bring this book to you. We spent countless nights at school while everyone else was home or out cruising. After school was officially over a dozen annual staffers were back at school finishing the last few pages. The final shipment was mailed on June 8, 1988 to insure a historic record of Highland's Twenty-Fifth Anniversary.

News Worth Reporting

Highland's newspaper staff had a successful year in 1987-88. For one thing, they received a new computer that allowed for the creation of a new nameplate and the paper to be produced at the school. And, a U.S. Supreme Court case ruled that the administration could edit the paper at their will but, Principal Bob Gould made it clear that he didn't intend to do so. Along with these successes, staff members were able to attend a state journalism conference in Sun Valley.

The trip lasted three days and after attending seminars and competitions, such activities as ice skating, eating at Louie's a famous Italian restaurant, shopping, watching David Letterman and playing mid night football, were all enjoyed by those attending the conference. As writing editor, Michelle Newby puts it, "The blood, sweat, and tears that we put into the paper were nothing compared to the fun we had, although I will remember both."

BEST OF BEST

If you have a 3.4 grade point average and can maintain it throughout the year, National Honor Society is the place to be. This includes students who have a 3.4 to 4.0 average. It is a lot of hard work, but all of the members seem to agree, it does pay off! Each semester all members must do a service project in order to stay in NHS. This means do things such as assisting with activities that go on in the community as well as things that happen at school. For example, handing out programs for the air show that took place on May 14 and 15. Seniors of NHS with an average of 3.8 or higher, receive gold tassels on their graduating gowns when they graduate. The seniors also earn scholastic letters.

FIRST CLASS

The Senior Class Officers of 1988 began their year with the hopes of being the best ever. Their hopes were not let down as they kicked off the Twenty-Fifth year of HHS with great success. The Senior Hall placed third, but it was one of the most memorable in recent years as the whole class became involved with the project. The officers worked very hard in planning the various events they sponsored. Senior T-shirts were sold for \$8.00 and the officers sponsored two dances. The Snow Ball was held on December 23 in the HHS gym where couples danced in winter splendor to the theme of "Frosty the Snowman." The Spring Casual was held at Pulsar and was one of the most popular dances of the year. The officers planned graduation activities including Senior Breakfast, Senior Assembly, and the graduation ceremony itself. The Senior Sneak was held after the seniors were released on May 26. Seniors traveled to Lagoon and Raging Waters on Friday and Saturday. The Senior Class Officers of 1988 have the satisfaction of knowing they continued the winning tradition at Highland.

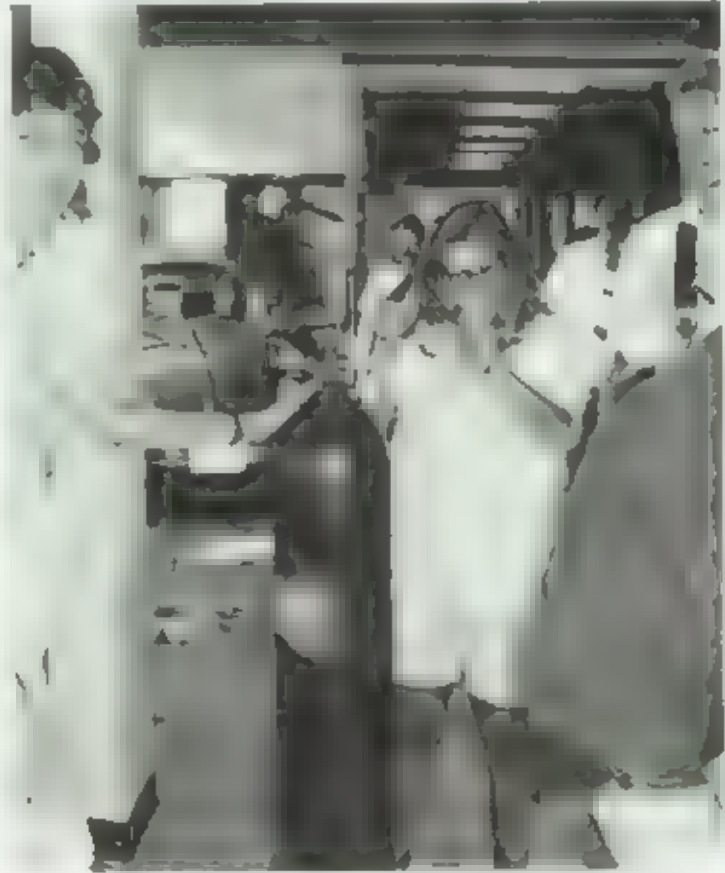

The Senior Class Officers of 1988: Ryan Astin-Senator, Danny Specer-Senator, Greg Thilmont-Chief Justice, Angela Powell-Senator, Dana Yost-Sec./Treasurer, Curtis Reece-Vice President, Darlyn Blad-Senator, Jennifer Watkins-Historian, Jenny Wheeler-President, Maria Andros-Senator, and Greg Terch-Senator

RIGHT ATTITUDE MEANS SUCCESS

The junior and sophomore class officers kept busy this year by planning many fun activities for the student body. The junior class officers consisted of Jana Roberts-President, Geof Empey-Vice President, Kristen Empey Secretary/Treasurer, and Shelli Howell Associate Justice. The senators were Tammy Green, Greg Hoffman, Eric Lee, Kristin Hansen, Shauna McPherson, and Shawnie Satterfield. The sophomore class officers were Mike Parrish-President, Sandy VanOrden-Vice President, Kim Hopkins-Secretary/Treasurer, and Dave Smith Associate Justice. The senators were Jodi Meese, Jerod Spencer, Jennifer Scowther, Melissa Mathews, Russ Mayes, Tim Anderson, and Rachel Ries. These class officers kept busy this year by attending three government conventions. The first of the three was the Fall Idaho Association of Student Councils held at Boise State University on October 10th and 11th. The second was a convention in Firth, Idaho on February 8th. The third was held at Idaho State University on May 13th and 14th. The sophomore class officers played a big part in the 1987 homecoming week. SADD week was a very important for all of the student government members. The schedule for SADD week went as follows: Monday-Black arm bands were given to each student to wear to represent mourning for previous drunk driving victims. Tuesday — the grim reaper went to a class every 20 min and took a student to represent teenagers who are killed in alcohol related accidents. Wednesday — Coke was given to all of the students who wore their seatbelts to lunch. Thursday — a coffin was displayed in D building saying "This could be you!" Friday — The week was concluded with a SADD dance.

LET IT SNOW

Ski Club is one of the most popular clubs at Highland with over 50 members. The Club is made up of people who love to ski and live for the sensation of skiing down the slopes. The club is under the direction of Mr. Charlie Sloan. The 1988 Board of Directors was made up of Dana Yost, and Josh Wells, Seniors, Jeff Steadman, Junior, and Derrick Stuart, Sophomore. The club had many meetings during lunch to plan activities and fund raisers. The biggest fund raiser was a raffle; the prizes were a dinner for two at the Sandpiper, ski goggles, ski hat, and a banana split at Baskin Robbins. They also put on a Saturday night dance which was very successful. In February, Ski Club made a trip to Jackson Hole, Wyoming, where they spent two days skiing the majestic slopes. The weather was beautiful which made the trip a complete success, and a terrific end of the year for all ski club members.

The gang arrived in Jackson Hole all fired up about a great day on the slopes.

HELPFUL

This year Junior Civitan was led by Brandee Hancock as President, Todd Thomsen as Vice President, Mara Murphy as Secretary-Treasurer, and Mike Bunce as Advisor. The membership was at an all time high, containing 35 members. The group participated in the ISU Homecoming Parade, spent time at a retirement home, aided tag checking during hunting season, and gave time and 50 dozen cookies to the Red Cross Blood Drive. The main fund raiser for Junior Civitan each year is the Simplot Games dance, which is co-hosted by the Poky club. This year an exceptional amount of money was raised due to the large turnout. A large portion of the money was then donated to Special Olympics. Junior Civitan had a good year

Time, Money, and Blood

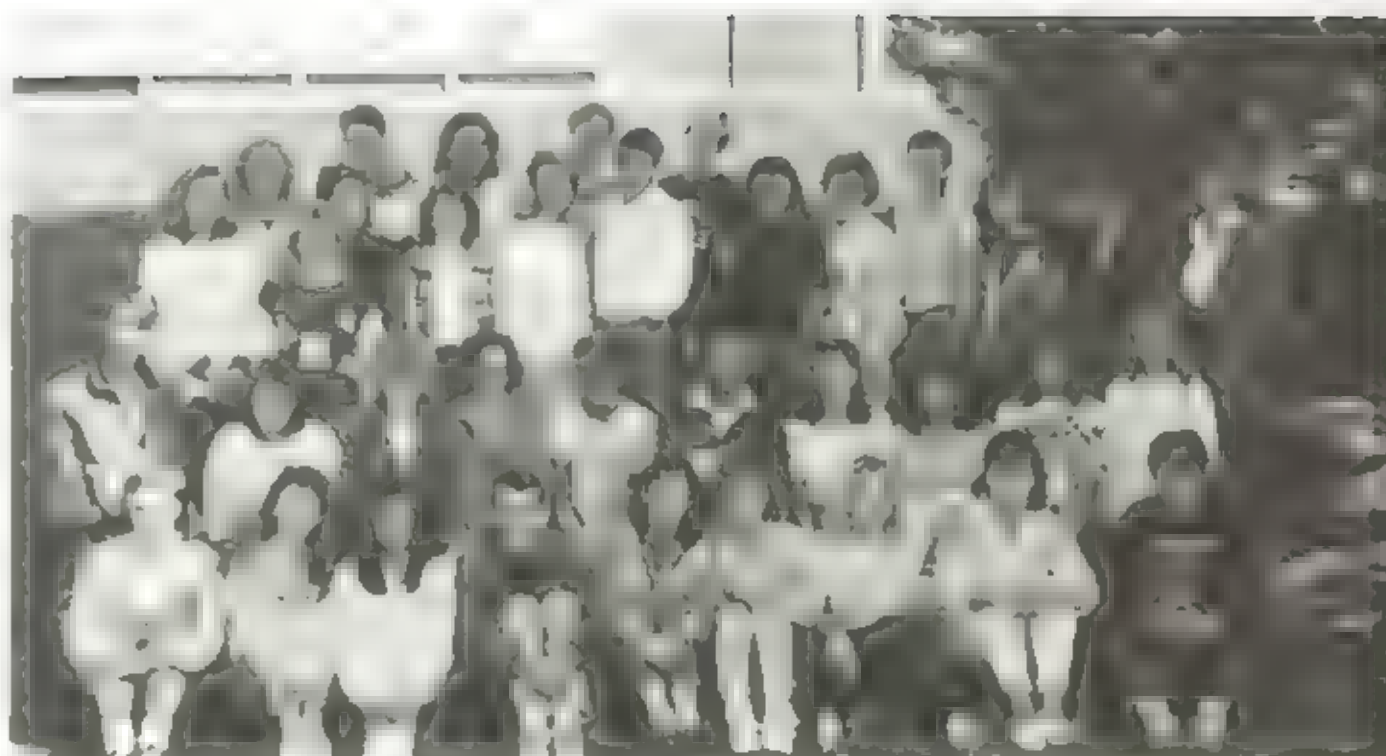

Highland can be very proud of this year's Key Club. The club donated much time to Highland and we appreciated it. They sponsored the successful Sweetheart Ball on February 13. This group raised \$100, plus 1,500 cans of food for the Salvation Army. Another project they co-sponsored was the performance of the Tuscon Boys' Choir on March 3rd in the Pocatello High School Auditorium. Besides helping with the Muscular Dystrophy campaign, the club ended their service projects by assisting Junior Civitan with a senior class blood drawing on March 25th.

CLOSE FRIENDS

International Relations Club had a meeting with Pocatello High School every month. The meeting was fun for everybody. Foreign exchange students and American students both enjoyed talking about other countries and cultures. In March foreign exchange students cooked some food from their own countries for international potluck. Picture 2, Sofia Gentz, Vice President of club, cooked Swedish meatballs.

GUTEN TAG!

German Club had good activities this year. Four German exchange students were invited to a meeting and talked about German culture and their life in the United States. They had a German dinner party with all kinds of German food and they also had a fun picnic with other foreign language clubs at Ross Park. Chantel Shepherd went on the GAPP Exchange to Berlin last summer. During a class presentation, she pointed out her travel routes.

Bonjour Eleves

The Highland French club was very involved this year with many new and exciting activities. With the combined efforts of the Advisor Frankie Saul, President Debbie Domitz, Vice President James Moonier, Secretary Jennifer Hills, Treasurer Larry Saville and many devoted members, the club was able to plan, organize, and accomplish many activities for all the members.

The first meeting for all members was the French Club social, which was held at the beginning of the year. The purpose of the social was to better acquaint new and old members to French Club. The French Club also engaged in other activities such as a pillow movie, a Christmas party, and a dance held at Highland which promoted a French Riviera, Beach Club theme.

A new activity that the second, third, and fourth year French students were able to participate in, thanks to many hours of planning by their advisor, was a trip to Salt Lake City to preview a new French film. Along with previewing the film, the students were able to eat lunch at a French restaurant called LePariseine, view a presentation at the Hansen Planetarium, see downtown Salt Lake City, and visit a local grocery store.

HOLA AMIGOS ¿QUE PASA?

The Spanish Club was busy this year with many new activities planned by their advisor Grace Owens, President Julie Longmore, and Vice President Erin Johnson. Meeting irregularly during the year at lunch the Spanish Club was able to organize three parties. At the beginning of the year the Spanish Club held a tasting party where members were able

to taste many different Mexican dishes. The Spanish Club Christmas party or Three Kings Dinner, was held at the Pilot House. At the end of the year the club held their year end party. This was a joint party with the French and German Clubs. Members of the three clubs were able to enjoy a barbeque and other side dishes

PARTY ANIMALS

H-Club had a really great year. They did PSA's for the radio station giving drug facts. Members participated in two service projects. During Christmas, they went on a clothes drive for the Salvation Army and rearranged the trophy cases at Highland. They had a great deal of fun, also, including two ski trips to Jackson Hole, that were fabulous. They also sponsored the third-annual H-Club Social on April 3, 1988, which was considered to be the best social ever

Achieving Their "Goals"

When the Highland Soccer Club was formed three years ago in 1985, the members hoped that someday the soccer players would be recognized for their great ability along with the other Highland athletes. The club is now a group of very talented students. They meet at irregular times during the year to enhance their soccer skills and to discuss issues relating to the team. The club has added new members every year and is sure to continue in its growth and success.

This year's members are pictured at left. From left to right, Row 1: J. D. Watts, Lisa Ashby, Scott Malm, Josh Harwood, Jon Smith, James Hancock, and Kenny Gallegos. KEEPING THE TRADITION

The Indian Club started out the 1988 year their Pow-wow in which they crowned their current HHS Queen Mori Dunn. They observed Indian Day by going to a workshop at ISU, then to the Tyhee Pow-wow where they performed Indian dances for the grade school kids. Indian Club was very active this year. They took first place in a volleyball tournament and also participated in donkey basketball. They built a float for the Idaho State Homecoming Parade, and sponsored an after game dance in the cafeteria. Several students attended the Northwest Indian Youth Conference in Yakima, Washington. The seminar ran from April 8th through the 12th. They ended their year with a graduation dinner party held in Fort Hall. The Indian Club had a fun and very successful year.

RIDE 'EM COWBOY

The Highland-Poky rodeo team has twenty members. The officers were: President-Heather Hallinan, Vice-President-Snickler Ruby, and Secretary-Dedra Sanna. The Board of Directors were: Senior-Kami Romriell, Junior-Connie Laird, Sophomore-Timi Ankrum, and Freshman-Kris Anderson. They competed against 107 other students in the district. The top four places in each event qualified them to compete in the State Championship Rodeo held at Filer, Idaho. Then the top four in each event from the State Championships competed in the National finals held this year in Pueblo, Colorado. National Finals included competitors from all fifty states and Canada.

PROJECT OF THE YEAR

The Highland Industrial Technology Club has a lot to offer, especially if you have some good ideas to share and are willing to learn. It is not a big club but it is a fun one. This years' HIAC was led by President-Kirk Rawlings, Vice-President-Lloyd Briley, Reporter-Frank Lee, Treasurer-Greg Smart. Highland took the first place school trophy at

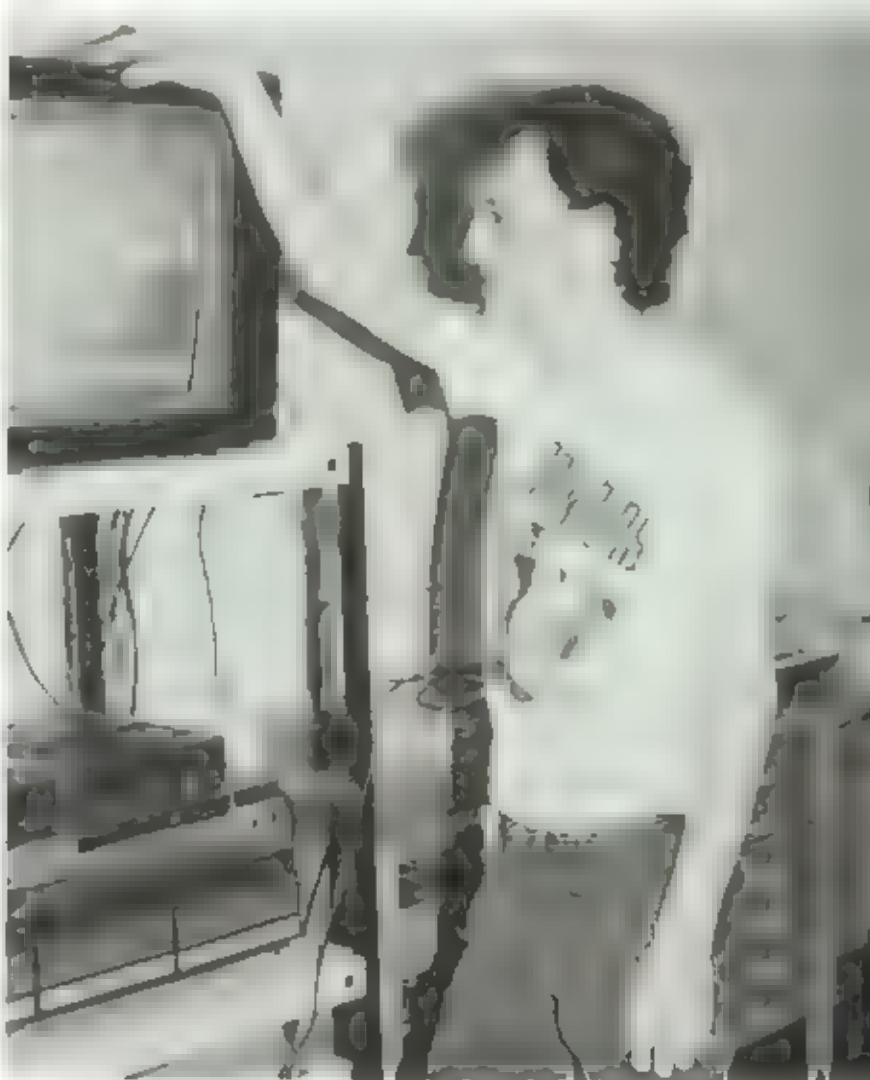

the State Industrial Technology Convention. They swept several events this year. The three top students at the convention were from our school First place-Greg Smart, Second-Jeff Doerr, Third-Kirk Rawlins. Just to prove that the group has potential, Phil Willey (the group advisor) has just won Idaho's program of the year award. Congratulations Mr. Willey!

This year VICA had a very successful program. The VICA offices were held by President-Rob Cambell, Vice President-Bob Davis, Secretary/Treasurer-David Herter, Parliament-Mark Hymas, Senior Representative-Earl Jensen. Chairpersons of Activities were: Mike Jones, Brooks Davis, and Colby Henderson. The Finance Committee was Wade Carlson, Packy Likness, and Phillip Lish. The VICA agenda was very full. Mike Jones attended a leadership conference on Oct. 1. On March 2 thru the 5th VICA members made a long trip to attend the Pacific Automotive show in Las Vegas, Nevada. Then VICA sponsored, with FFA and KSEI, a Donkey Basketball Game in which VICA came out on top. The VICA team went to the Blackfoot Skill Olympics, Highland placed third overall. At the Idaho Skilled Olympics, Tammy Cambell won second place in the extemporaneous speech competition. In a trouble shooting contest sponsored by ISU and CED Flandro on April 2nd, Mike O'Brien placed 2nd with Bobby Wells coming in a close 3rd. Highland took the overall 1st Place School Trophy.

OPUS LIVES!

The NFL year for Highland saw many early mornings, bus trips, money raisers, and custody fights for the mascot Opus. Mrs. Evelyn Harwood directed the team to much success. In policy debate, Danny Harsell and Dylan Gardner won two third places, Debbie Domitz and Derrick Kraus won a first place. In ID debate, Merideth McCarty won a fourth place and Worth Anderson won many trophies and qualified for state. In speech, trophy winners were Worth, Dylan, and Don Moore. In extemporaneous, Libby Woodbury serious interp, Tom Randklev-Humorous interp. Eleven people qualified for state where Worth took 1st in extemp. He will now compete at nationals. Steve Schossberger will go as an alternate. All are happy with the years results & that Opus came home alive.

"No pictures . . . Just trophies," says Worth Andersen. At Nationals in Nashville Tennessee, Worth placed: 38th in Constitution Extemporaneous; 8th in Extemporaneous Comentary semi finals; 7th in Impromptu semi finals. Most important, he was the first Idaho student to ever qualify and compete in Nationals.

Artistic

The Highland Art Club is a group of talented students. They meet at irregular times during the year to share and enhance their talents and to discuss issues pertaining to the club. They have had many activities this year. They had a poster selling fund raiser to buy new art supplies. Also over the Christmas holidays members painted the windows of local businesses to spread the holiday spirit. The Art club also held a face painting booth at the Fine Arts Festival which was very successful. Overall the Art Club had a very good year.

Dramatic

The Thespians are the club that gives the students at Highland a new appreciation for the theatre arts. They started out the year sponsoring the homecoming dance, which was a great success. Something new this year was a Halloween haunted house, "Allyway of Suspense." With the combined effort of Advisor Mrs. Bunce and many dedicated club members and drama students, it was very successful. Everyone who participated agreed it was a lot of fun. The Thespians also performed five class acts and two major productions. The Christmas play "Gift of the Maji," and in conjunction with the music department, "Bye Bye Birdie," which was the big attraction of the year.

ROCK DE BARN

FFA had a progressive year in 1988. They went to the Blackfoot Fair in September and competed in many divisions. At Shelley they had a leadership contest, and Nichole Anderson won 2nd place for her speech. The Soil's Contest was held in Challis in October. The State Convention was held in Rexburg. At the National FFA Convention in Kansas City, Missouri, 24,000 people attended including George Bush, Bob Dole, and Lee Iacocca. On May 19 they had a banquet at Chuckwagon, gave out awards and said their goodbyes. State Contests were held June 7-10 at Moscow.

WORKING HARD

The Future Homemakers of America had a very busy year this year. Under President Kathy Benjamin the group was very successful. The year was ended by the FHA state convention held in Boise on April 7th through 9th. The theme of the convention was "Highways to Leadership". It featured workshops on fund-raising, stress, car safety, positive attitudes and international issues. Mrs. McFadden-Advisor, Kathy Benjamin, Angela Frasure, Mandi McFadden, Robyn Gebo and Mindy Barkdull attended the convention. These girls were also able to tour the capitol building and the state prison while in Boise. The convention was a learning experience for all the girls who attended and their leadership qualities were greatly strengthened. The Office Education Association is an organization which gets involved with clubs and organizations around the community. Some of the members were chosen to attend a competition in Moscow, Idaho on the University of Idaho's campus. The members left on a Wednesday night at 9:30 from the Quality Inn and arrived in Moscow at 10:30 Thursday morning. They took a travel bus which included Pocatello High School and Soda Springs High School O.E.A. members.

Each chapter had a flag that represented their club. During their visit, members were allowed to attend a basketball game at the University. Some of the competitions were Office Support Assistant which included typing, basic math skills, and answering questions dealing with the secretarial field. Business Math which is knowledge about questions dealing with general business skills. There was also a Business Skill competition where each member applied for a job and was interviewed and judged. Molly McCann was the only one from H.H.S. who received an award. She took first place in Office Support Assistant.

There was also a Regional competition held at ISU. Yvonne Sedgwick placed in three competitions. 1st — Office Support Assistant, 2nd — Business Knowledge, and 3rd — Employment Skills.

MAKING THE RAMBLES

Highland's Literary Club is a group of students who submit contributions and shape those contributions into a magazine that reflects the interests and abilities of our student body. They select the pieces that go into the magazine and group them in the order they want them to appear. The staff does this in about fifteen meetings throughout the school year and hope to have their magazine ready before school ends.

Susan Goodliffe, Jennifer Keler, Debbie Domitz, and Danika Self read an interesting poem

"Is It Love" — Erin Johnson

Scott saw a girl the other day,
He thought his heart would fly away.
His face was flushed and his thoughts were scattered,
All of a sudden, nothing else mattered.
All day he talked of nothing but her.
We all thought there was no cure.
But the next day he met her friend,
And then, well . . . that was the end.

The 1987 Homecoming Dance was sponsored by the Thespians and held on October 10 in the Highland gym. The color scheme included pastel colored balloons and crepe paper. The homecoming royalty were Queen Angela Anderson, Senior Attendant Mary Carlson, Junior Attendant Michelle Nelson, and Sophomore Attendant Sherry Dubbe. Jay Ned took couples' pictures to capture the everlasting memory. The price of the dance tickets were \$6.50 and the cost of the pictures started at \$7.00.

The 1987 Co-Ed dance, sponsored by the FHA, was held November 25 at the Quality Inn. Pink and grey decorations were used to set the magical backdrop. Couples danced to "Can't we try?" the theme song and other favorites played by John Hoffman. Royalty were, King Nate Meese, Senior Attendant Nate Ricks, Junior Attendant Devin McMasters, and Sophomore Attendant Tom Prudhomme. Jay Ned took pictures of couples standing on a bridge, to capture lasting memories of this special occasion.

Sweetheart Ball

The 1988 Sweetheart Ball, annually sponsored by the Key Club, was held on February 13. Tickets were \$7.50 and the students started arriving at the Student Union Ballroom in their semi-formal attire around 8:00. "Feelings of Forever" by Tiffany was the theme song and the decorations were dark blue, baby blue, and silver. Royalty was King Lyn Yost, Queen Lisa Winters, Duke Greg Larson, Dutchess Erin Ross, Princess Francie Sward, and Prince Justin Likness. Kendail Anderson kept the dance going by playing songs until 12:00 and Jay Ned took pictures for students to remember the night.

JUNIOR SENIOR PROM

Royalty Crowned Junior Attendant, Tammy Green, Senior Attendant, Jill Gaege Queen, Susan Goodruffe The Junior Senior Prom was held on May 7, 1988 at the Idaho State University Ballroom with the colors peach, turquoise, and silver. Tickets were \$13 and pictures were taken by Deloy Stuart and Don Neves for \$7.50. The first 200 couples received key chains and they danced from 8:30 until midnight with the theme "A Night in Heaven."

Snowball Dance

The Snowball Dance on December 23, 1987 was a great success this year. Approximately two hundred people showed up to dance the night away. Some students showed off their talents in a dance contest. The winners were Carina Hoffman and Jason Comstock leaving as runners up, Lara Tower and Steve Hansen.

The cost of the dance was \$5.00 a couple and pictures were \$6.00. The colors were green and silver. The music was played by Rick Gibson, Brian Blad, and Corey Blad. All together the dance was a great hit.

Jungle Love

The Spring Casual was wild and crazy. Monkeys and palm trees set the theme with purple and green balloons at Pulsar. Most couples were dressed alike in T-shirts and shorts. Chaperones like Max Whitworth, his wife, and Mrs. Flandro were just a few adults that had the chance to say "Be Good." The cost for admittance was \$6.00 a couple and pictures were \$7.50 taken by Deloy Stuart.

Seniors

As the new school year started, the mighty class of 1988 proudly returned to their school to begin their last year at Highland. Following the steps of 24 years of Senior classes, the seniors carried on the winning tradition of Highland High School. With the many different people in the class of 1988, the seniors came together as one and celebrated the many victories with pride. Many of the seniors followed the class theme of "What we were meant to be, we are becoming" with classic style. One of the proudest moments of the class of 1988 was the defeat of Coeur D'Alene to once again capture the state football championship. Though senior classes have come and gone, the class of 1988 will live on in the memory of future classes. They will be remembered for their spirit, pride and dedication to athletic and academic excellence.

"Growing up is hard to do. I'm glad I got the opportunity to do it here with all the bad times and good times, wins and loses, early mornings and late nights. My friends have made it bearable. I hope the kids of the next 25 years are of equal caliber."

— Jay Wheeler

"I never thought I could experience so many things in just three years. I've had good times and I've had bad times, but the times I've had at Highland have been the best."

— Heather DeArman

"Grade school was fun. Junior High was cool. Highland has been the best. I just hope it keeps getting better."

— Andy Rowland

"Marching Corps was definitely the best. The bright early mornings, the clear minds, and Mr. Ronk's cheery voice. It was certainly something to remember forever."

— Laurie Yates

"At Highland it has been three years of change, of growth, and of unforgettable times."

— Charl Breiner

"The sports, the learning, and the people will be hard to leave, but we all have to move on."

— Shawn Bridger

"They say that high school is the time of your life. Well, it's true. Finding friends that will last forever, always having fun, and learning. It will all be hard to leave, but there comes a time to move on, and now is that time."

— Scot Birrell

"Some of the greatest people I have ever met are here at Highland, especially the people involved with the Lassies. I am proud to be a Highland graduate of 1988."

— Shawna Renfro

"Going to school at Highland has been one of the best times of my life. With all the friends and all the fun, it's going to be hard to leave. I will miss it."

— Lance Hogge

"The three years that I have spent at Highland have been the most memorable and certainly the most enjoyable. I would like to say good luck to the following class. High school really is the time of your life."

— Chris Hadley

"It seems like yesterday that I was pushing pennies for Alan Wisley. It goes so fast. The coaches, the sports, it's going to be hard to leave. Thanks for the memories Highland. I won't forget it."

— Brad Curtis

"Eleven and a half years of school and I have learned only two things . . . 1) Life is too short to dance with ugly girls. 2) Real skiers don't have real jobs."

— Scott Simmons

"After two and a half years at Highland I have learned one thing . . . Scott Simmons is gorgeous. P.S. Scott paid me to say that."

— Marnie Magel

"Being a Senior is so great. I will always remember the good times and the good friends. It is good to know that we, as Seniors, left some big shoes to fill."

— Ryan Astin

"School is like dinner, you eat it, and then you have dessert."

— Alan Tan

"It has been interesting in this town, and I thank my friends and teachers for being there when needed."

— Alice Barnett

"Live life to the fullest, you are only a teenager once."

— Tony Di

"It's not over till it's over."

— Kirk Rawlings

"The world is full of brain dead people."

— Jud Thompson

"Life is too short to waste it on being a goof or a jock. Think about it."

— Jennifer Klein

"Let us make our own mistakes."

— Erick Albretson

"Memories are fun, but the best ones are with friends."

— Veronique Fitzen

"It's been real, and it's been fun, but it's never been real fun!"

— Mara Murphy

"I seek only to be a tea cup, empty of myself."

— Mike Burr

"It will be great being able to get out of the parking lot without being cremated by a sophomore and Mara Murphy!"

— Brandi Johnson

"Life is like a bowl of runny jell-o and we are all forks."

— Julie Hillebrant

"High school has been an experience, which I am not impressed with."

— Mara Murphy

"The maturity of the people here is awe inspiring!"

— Anonymous

"I enjoyed going to Highland High School because I liked being in the Trouveres. It was a really neat learning experience."

— Kim Boyce

"It was the best ten years of my life!"

— Curtis Reece

"I think when I was a Sophomore I tripped and fell into a void because I don't remember anything."

— Julie Hillebrant

"High school is what you make it. If you get involved you will have a lot of fun. If you stay below average, and don't excel, then it becomes work."

— Andy Rowland

"I think the schools here compared to schools in Germany give you an opportunity to find things that you are interested in. On the other hand the basic education here isn't as high as West Germany's."

— Sophia Gentz

"I don't know any Senior Quotes."

— Debbie Domitz

"Seniors rock the house."

— Kathy Smith, Angie Powell, Maria Andros, Michelle Buffaloe

"Life is like a bowl of red jell-o, high school is merely the bananas suspended in the middle."

— Tracey Hanson

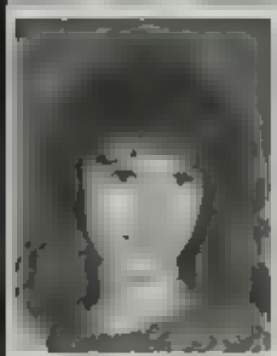

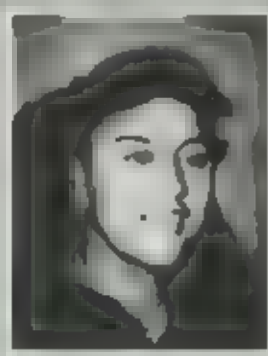

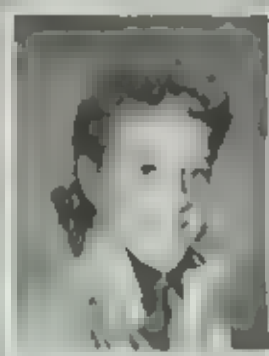

"The three years I've spent at Highland have been the best of my life. I will always treasure the friends and memories I've made here especially in the Lassies and on Annual Staff. Being involved in these two groups made my senior year so much better. I'd like to extend a special thanks to the staff of the 1988 Highlander for the many hours of hard work that made this annual the biggest and the best of HHS history."

My Dog

My dog is a small, white, fluffy puppy named Snowflake. I got her from a friend of my mother's. She is very playful and loves to run around in the yard. She is also very friendly and likes to be petted. I love her very much and she is my best friend.

Juniors

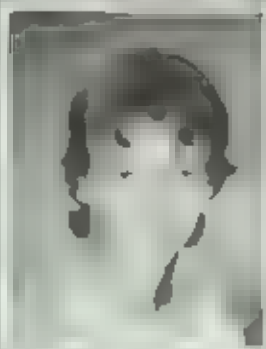

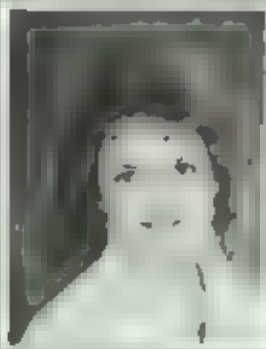

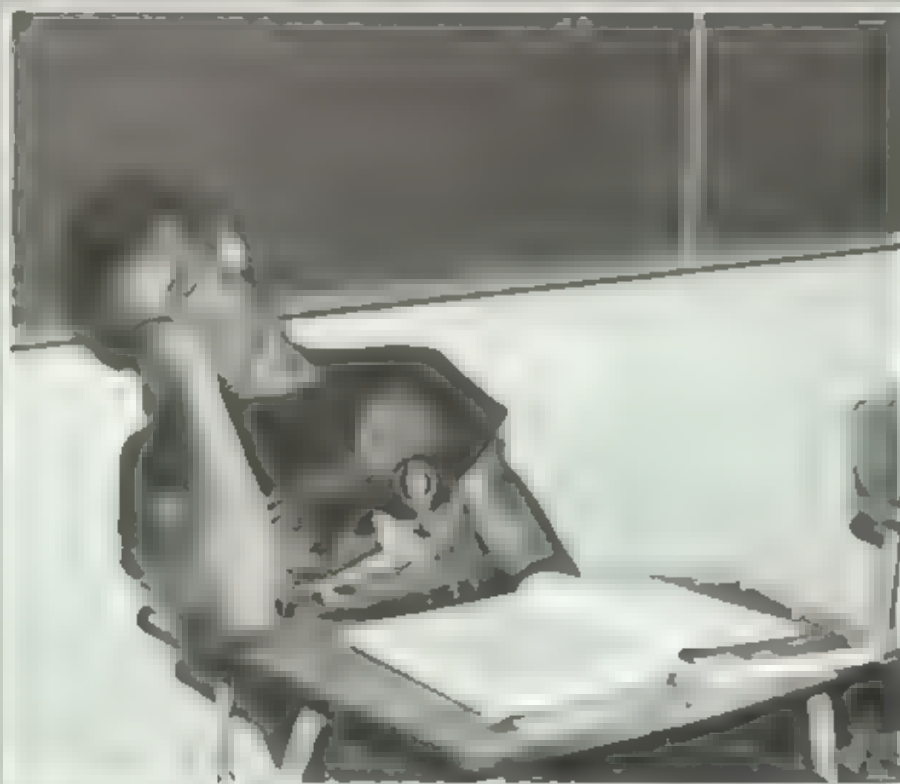

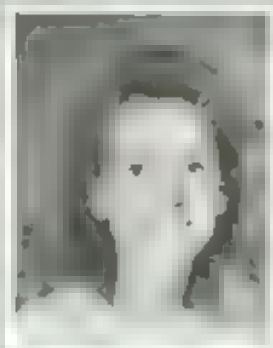

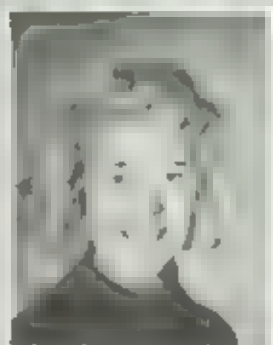

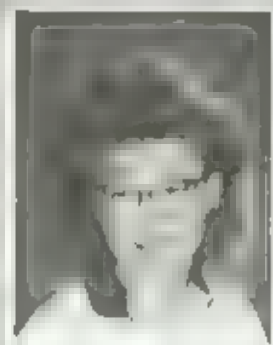

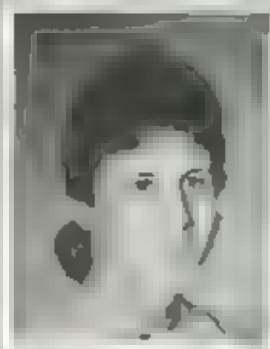

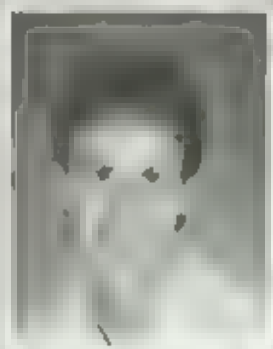

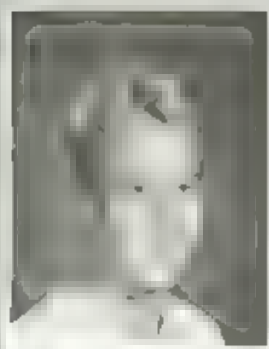

A grid of 18 black and white student portraits arranged in 5 rows and 4 columns. The word "Juniors" is written in a cursive font in the top left corner. The portraits are of students of various ethnicities and ages, likely high school juniors, posed in a formal studio setting.

A black and white photograph of a dark, textured surface, possibly a book cover or a piece of fabric, with a lighter, rectangular area in the center. The image is grainy and has a high-contrast, almost abstract quality. The lighter area in the center appears to be a rectangular patch or a reflection. The overall composition is simple and focuses on texture and light.

Sophomores

As the new year began, the sophomores were more than ready. They entered an environment of new and exciting surroundings. Within the halls of JHS many intrigued faces of sophomores could be seen.

The Class of '90 was the last class to experience the annual Highland/Alto Homecoming Week — and was the last class that could no longer be ignored. They had been through it and they became a welcomed part of the Highland Student Body.

Back on the Bottom

Most sophomores came to Highland not knowing what to expect. They were new to the school and didn't know how they were back on the bottom. They had to find their way, same time.

Everyone remembers facing the juniors and seniors on their first day. Some were nervous, some were excited.

I was ready to do anything (the upperclassmen told me, "Don't quit, Frank").

It was fun. I liked seeing all the new faces, especially the girls. I liked Shayne Hughes. Everybody will remember for sure, no one will forget it.

Teachers

Bob Goold was at the head position as Principal during the twenty-fifth anniversary celebration year. He replaced Highland's only other Principal, Lionel Bowser in 1984. In the meantime many staff personnel have come and gone. In fact, not one single staff member has been here for all of Highland's twenty-five year existence.

Our staff provided a good blend of old and young, making numerous leaders available to new employees. While many secondary high school staffs provided qualified teachers for a variety of programs, Highland's large staff of 80 offers 1,400 plus students virtually unlimited opportunities. Academic/vocational teachers, activity advisers, and coaches led the Rams to both local and state recognition. The specific achievements covered throughout this book were all made possible from employing enthusiastic leaders.

* State Games

As the fall weather came to Pocatello the Highland Varsity Football team charged into yet another successful season. The first game of the year was against Centennial High School. The Rams introduced Idaho's newest high school to Highland Football by defeating them with a final score of 24-7. As the season progressed, the team accumulated only one loss, which was to the Idaho Falls Tigers. For the Homecoming game, the Rams played the Blackfoot Broncos. The Broncos were scoreless throughout the game, which made the Rams victorious with a final score of 55-0. The last opponents of the regular season were the Pocatello Indians. Highland took their cross town rivals in the ISU Minidome. At the end of the game, not an Indian was standing and Highland had Rammed their way to victory. A season of hard work paid off for the Rams

by making it to the State Semi-Finals and defeating the Borah Lions 17-10 at the Minidome. The Rams then traveled to Moscow to play the Coeur d'Alene Vikings. This was a rematch of the 1986 semi-Final game in which Highland lost to Coeur d'Alene with a score of 21-24. The Highland Gridders wanted the state title, but they also wanted revenge. The Rams were down at halftime, charged back and captured the state title by defeating the Vikings by three points on November 13th. The Rams showed that hard work and dedication can accomplish anything when an effort is put forth. Along with the successful season, many Highland Varsity Football players were chosen for the All Conference Team, which included Tom Bell, Travis Bell, Jason Miller, Rick Ockey, Paul Murphy, Chris Hoge, Brady Swallow, and David Cde Baca.

Rick Ockey caught another touchdown during the Borah play-offs

On the Road to Moscow

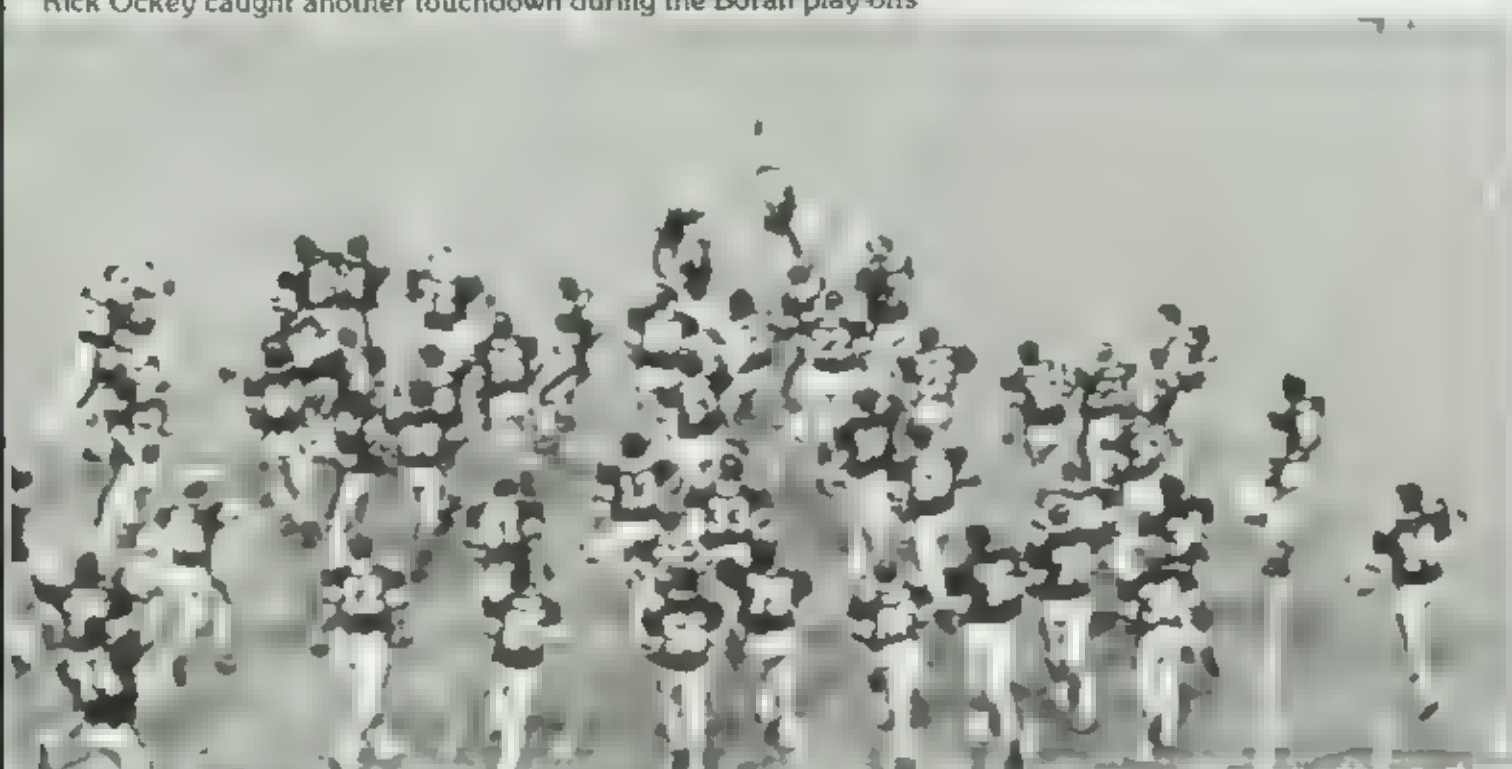

The state game resembled last year's play-offs with Highland matched up against Coeur D'Alene, except for one thing — this year we won! Both teams traveled to the Kibbie Dome in Moscow with high hopes of winning

Highland wanted revenge for last year's 26-27 loss in the play-offs, and it showed in the first quarter. Chris Hoge scrambled from the Viking defense and passed 37 yards to Jason Miller, all alone in the end zone, for the first touchdown. Minutes later, Highland regained the ball and fought hard to get to the 1-yard line. Hoge handed off to Miller who made a second touchdown. Both extra points were good and the score was 14-0 at the end of the first quarter

In the second quarter the Vikings made two touchdowns and a field goal bringing the score to 14-17, their favor. After halftime, both teams were aggressive and held each other off until Coeur D'Alene made a touchdown with one minute left in the third quarter, bringing the score to 14-24

Highland knew it was time to take over and from the 3-yard line, Brady Hicks made our third touchdown. Hoge then passed to Rick Ockey who ran in for yet another touchdown. The extra point was blocked and the score was 27-24. With 49 seconds left, Coeur D'Alene attempted a field goal and missed. Highland spent the last few seconds letting the clock run down. Winning never felt better

Only Seconds Away

The 1987 Sophomore Rams were the epitome of that old cliché, "hard work breeds success." Very few of the Rams came from winning junior high programs. Their dedication and hard work enabled them to amass a second place, 8-1 Conference finish. The one lone loss came at the hands of Conference champion Twin Falls on the last play of the game with three seconds remaining. The baby Rams are to be congratulated on a fine season and a super effort.

"7" From Heaven

The Highland boys' basketball had an excellent year under the new coach Jim Ferguson. Highland went into overtime with Poky to lose by five points. Then off to Minico they went to play the most hated team this year, Minico. The Spartans came off with a 10 to 3 lead that put Highland in a slump. But when Rick Ockey made a three point shot the Rams went crazy and brought us back into winning spirit. In the third quarter the Rams had led the Spartans, but there were a few bad calls from the refs and the Rams lost by "7" points. The loss put them out of state competition, but it also lifted the spirits to go get the state trophy next year with the same help from Ram fans. As Greg Terch said, "The crowd support this year was tremendous, it brought our spirits up and made us play better."

Playing the Game

This year Sophomore Boys' Basketball went through some tough changes. To help them through the changes were Head Coach Greg Burch and Assistant Coach Darrin Williams. At the end of the season they placed fourth in the Gem State Conference with a record of 11-9. Burch said, "The team did not achieve the goals they set for themselves, but I felt there were other areas which were improved upon. The kids came along and developed other characteristics as far as becom-

ing better players." Each player was successful because without each other it just wouldn't have been a team. (1) Brian Davis guards for the sake of the team. Put It in

The 1988 Highland Girls' Basketball team began their season with the hope of winning their fourth straight state title. The season started off a little shaky because they were without Coach Randy Rehner who was with the football team at Moscow. After the first few games, the team worked hard at becoming a united group. This year's team unity played an important role whether on the court, at weekly team dinners, or supporting other activities at Highland. After Christmas break, the Rams came back from a loss at Idaho Falls and finished out their season with only three losses. The team went into Region Tournament without Corina Hoffman who sustained a knee injury. They pulled together and advanced to the state tournament. The Lady Rams went in to their first game against Idaho Falls with revenge on their minds as they defeated the Tigers and advanced into the semi finals against Coeur d'Alene. The Rams won the emotionally filled game, but lost the championship game to Madison.

COMING UP

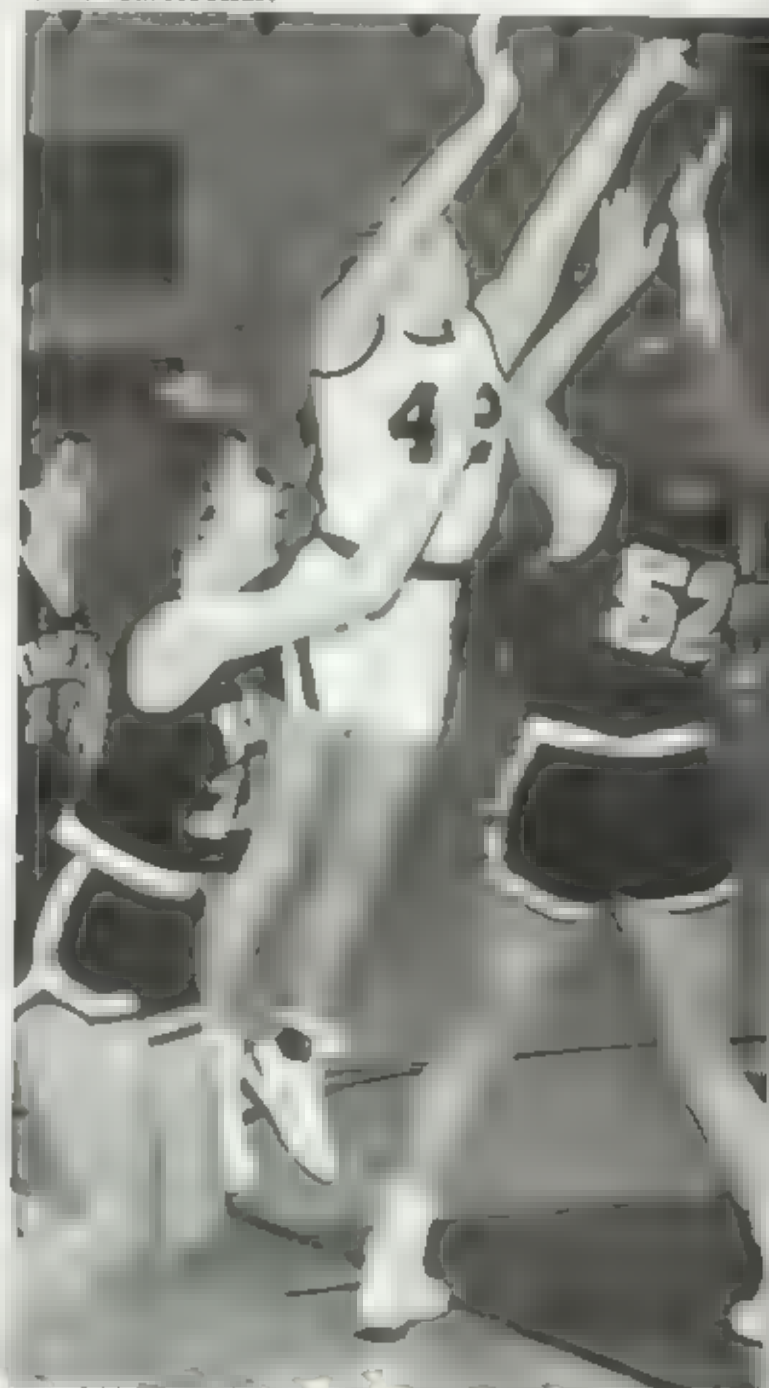

The Rams started their season with an upbeat note by winning their first 3 out of 4 games. The team worked hard throughout their entire season to try to take the Gem State Conference. However, Burley shattered the Rams last hope in at least taking 3rd place in Conference. The Rams lost to Burley (38-37) in a double overtime game, which dropped the Rams down to 4th place. The Rams did continue an important tradition, though. They defeated Pocatello High twice with scores of (39-21) and (83-15). At the end of the season Awards were given to Kayla Angell for Team Cpt. Lora curtis for Most Valuable Player, Alicia Walm for the Most Improved Player and Kim Hopkins for the Most Inspirational Player

SPIKE, BUMP, WIN!

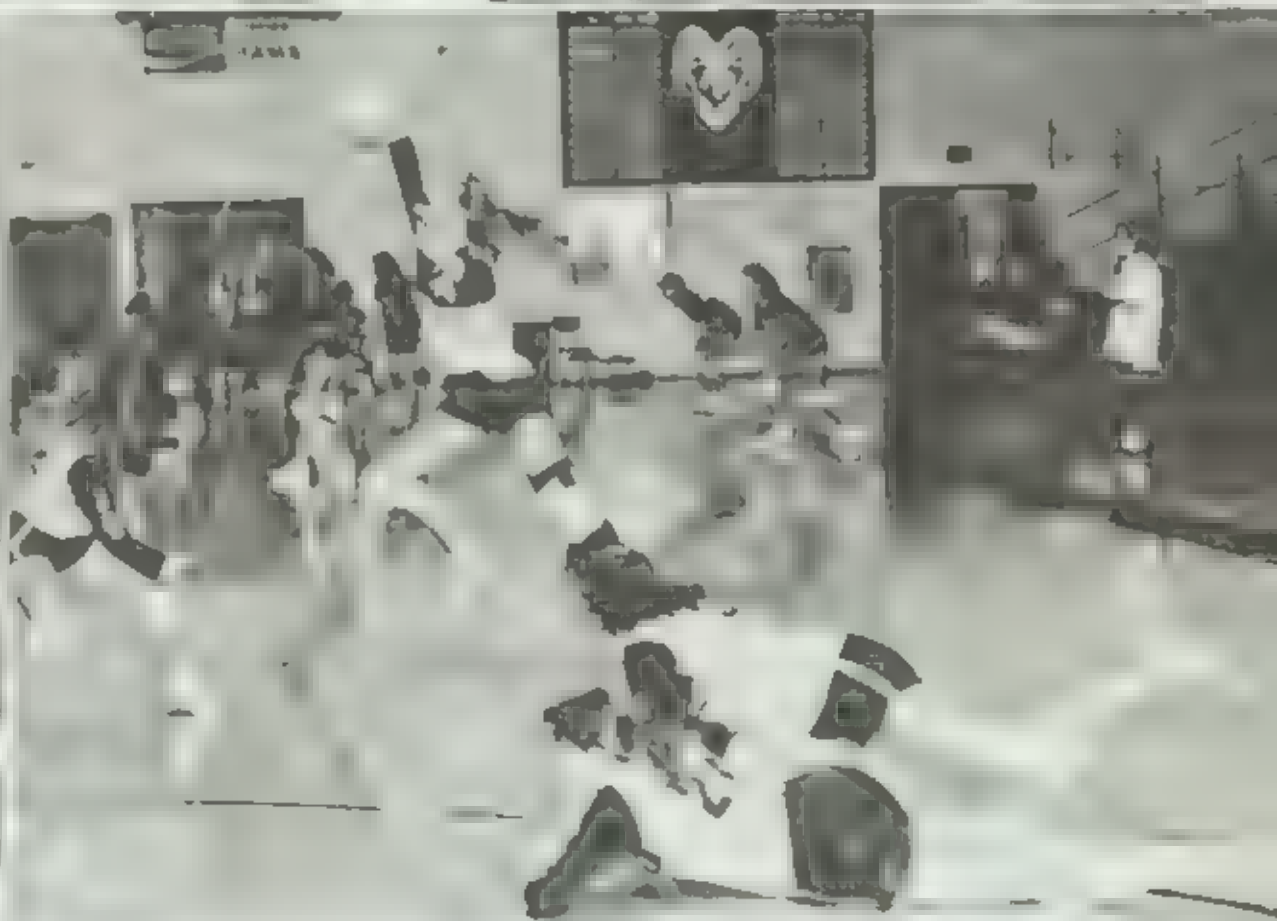

The girls varsity volleyball team had a great season this year. When the season ended their final record was 20 wins and 5 losses which included regional championship and state competition games. During the regular season, the team had 17 wins and 3 losses. They had double wins against Skyline, Pocatello, Rigby, Twin Falls, Bonneville, Minico, Blackfoot, and Burley. They won one of the two games against Madison, and they lost both games played against Idaho Falls. In the regional competition, the Lady Rams clobbered both Minico and Twin Falls. The first game of the tournament was against Minico. The Rams won both games with scores of 15-10 and 15-11. The next two games were against Twin Falls. This match-up proved tough as both matches lasted three full games. The scores of the first match played on October 13th were 15-10, 9-15, 15-10. The scores of the second match two days later were 15-3, 14-6, 15-8. These wins earned the first place trophy for the girls and proved once again that the HHS Volleyball team is #1. The volleyball season was ended with the State Tournament in Boise. The girls, with their winning record so far in the season, should have walked away with another 1st place trophy. Highland met up against Idaho Falls, the team which caused them two losses in the regular season. The girls were determined to make this game different; they lost the first game 9-15, but came back in the second game with a score of 15-12. The third game was heartbreaking; the girls lost by 3 points. The next match of the tournament was against Nampa. The Rams came off strong with a win of 15-3, but they lost the next two games with scores of 7-15, 5-15. Although the girls didn't bring home the state trophy, they were still ranked #1 with their Ram fans!

ON THE RISE

The Highland Junior Varsity Volleyball Team had a good season this year. They won 15 of their games over five losses. This was enough to allow them to attend The Gem State Conference Tournament. At the tournament they won two games over Minico and one game with Twin Falls, but they lost one game to Poky, one game to Minico and two games to Burley. They ended in fourth place in the tournament and overall placed third in conference standings. The team had a lot of help from the two juniors on the team, Robin Luckey and Jill VanOrden, who were the co-captains. They also had the help of their two stat keepers, Stephanie Powell and Jenilyn Cooper.

I feel we had an excellent year with both the men and women. The men were conference champions for the 5th year in a row and the women were 2nd which put them in the top two for the 5th year in a row. We graduated many of the boys, but we have a good nucleus coming back. Our women were 80% sophomores which certainly makes the future look bright. State Champions Once Again

The Highland Cross-Country teams finished off the 1987 season with a bang, taking both the State and Regional meets. The girls struggled with depth and injury problems throughout the season. By the regional meet, however, the girls had made much progress and with the help of several freshmen runners, they won the last two meets impressively. Girls winning honors were: Angela Walker, All-Conference, All State, Coral Collins, All-State, All-Conference, Amy Lish, All State; and Lisa Ashby, All-Conference.

The boys' team had some good performances through the regular season, but had injury problems also. However, by Regionals, everyone was healthy and ready to win by a wide margin. Boys winning honors were: Brian Luckey, All State, All-Conference, Frank Lee, All State, All-Conference, Bart Merrell, All State, All-Conference, and Jon Smith, All State.

BASEBALL HAS GREAT YEAR

The Highland Junior Varsity baseball team began their year with the high hopes of becoming better with each game. They were not let down as they won their first six games of the season. The little Rams went into a four game slump, but recovered to post four more victories in five games. The J V finished the season with a 12-6 record.

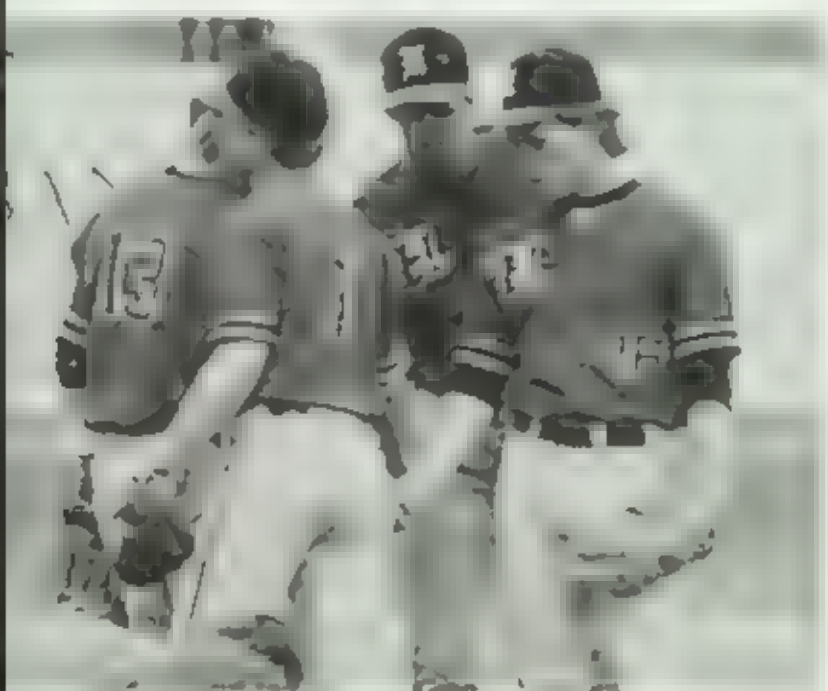

The 1988 Highland Varsity Baseball got off to its best start ever. The Rams tallied ten straight wins before dropping their only two regular season games to Twin Falls. Highland went on to win their first ever Gem State Conference title. The conference champions gained a berth in the State Tournament by sweeping the Region III tournament. In the State Tournament, Highland lost only their third game of the year to Borah. The Rams rebounded and eventually defeated Bonneville and Meridian to win the State Consolation Championship.

The wrestling teams, led by senior Travis Bell, completed their season with a 4th place finish at the state tournament on February 4-9, 1988 in Nampa

Bell completed his prep career with a perfect 33-0 record in the 130 lb. weight division. He also won his 3rd straight state championship, becoming the first Ram to accomplish this feat

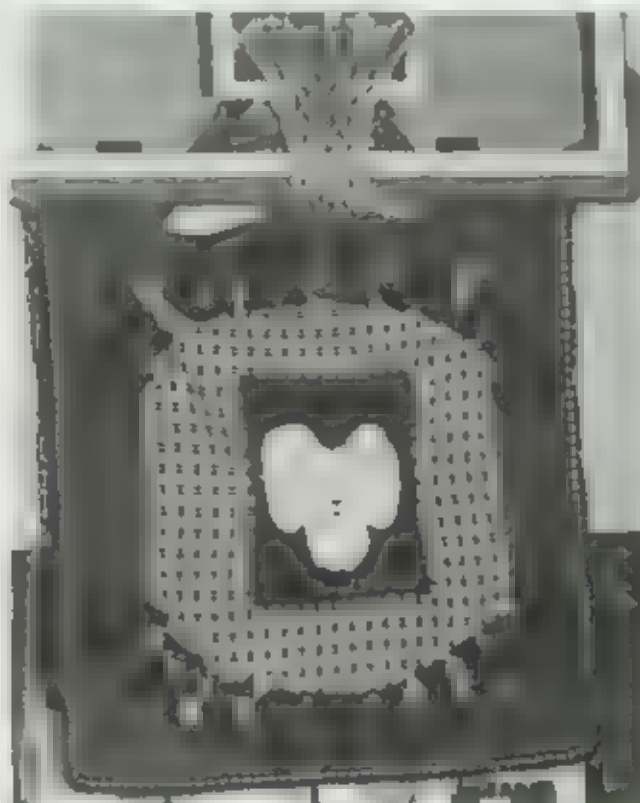

The Rams also came away with a pair of second place finishes, with Shane Bell in the 119 pound division, and Kirk Harris in the 125 pound event. Fourth place finishers were 112 pound Chris Wehrli and 160 pound Darin Allen. Completing the team's final placings were Scott Keller in the 103 pound division, and Marty Frasure in the Heavyweight division, both taking 5th places

The season was highlighted by the two big wins over cross-town rival Pocatello High School, with scores of 35-21 and 46-15. Another school bonus was the team's first place finish in the Star Valley Tournament. The season ended for the Varsity team with 12 wins and 4 losses, and the J V. team finished with 8 wins and 4 losses

Summing up the season, Coach Russ Sion said, "We wrestled as well as we were capable. The competition held some tough matches, and our team did their best"

Kick in Another Goal

The girls' varsity team, under the coaching of Dale Eaton, improved not only in size but in skill. They played teams from Idaho Falls and other surrounding cities, including two games with Poky. They were never able to defeat Highland; one game was tied and the other was won. Next year the team plans to have enough girls for a junior varsity team and along with the varsity, should go far. This season ended with a 1-6-1 record, and as Eaton believes, "The team made great strides this year and will be even better next season."

The boys' team was under the coaching of Ralph Litzinger (first string), Mike Friel (second string), and Roger Malm. The team had two divisions, varsity and junior varsity, and they alternated players between the two when necessary. The J V. team did better than any other in their division, losing only one game and tying two. Friel said that, "Our prime objective was to have a good time and I hoped it would influence the team's attitude." It did, because they had an excellent year. The boys' varsity team went to the State Tournament and represented Highland well. They entered the B Division and came out of the competition in fourth place. They had hoped to take first, but "It wasn't in the cards," commented Malm. "Maybe next year." Their home season went well also. They played teams from Ketchum, Nampa, Caldwell, and many other towns including Poky. The team ended with a record of 4-7-1 and will return stronger next year.

SCHOSSBERGER WINS!

The 1988 Highland Tennis Team finished the season with a 9-2 dual match record. Their only losses were to Nampa (4-8) and Pocatello (5-7). Leading the Ram Team was Steve Schossberger with a perfect 21-0 record. Steve was able to win the Boys Singles Title for the Gem State Conference, Regional Tournament, and the State A-1 title. This was the first singles state champion in Highland's 25 year history. Other team members that qualified for the state tournament were Brian Trumble and Brett Siemen in boys doubles, Alyson Welsh and Max Hueftle in mixed doubles, Cara Lawless and Mike Neves in mixed doubles, and Tammy Green and Jennifer Klein in girls' doubles. The most valuable players were Steve Schossberger and Cara Lawless. The most improved players were Max Hueftle and Robyn Gebo. All tennis players did a great job and represented Highland very well.

11 SHORT

The Gate City Invitational was held here at Highland's course. The Junior Varsity team placed second while the Varsity came in fourth. The men beat out Minico by one stroke to place second in the Gem State Conference. Qualifying for the mens state team were: #1 Jeff Bishop, #2 Jason Jerman, #3 Steve Abe, #4 Dan Harsell, #5 Troy Kunz (9th grade). The womens rankings were: #1 Vicki Parker, #2 Mary Carlson, #3 Julie Higgins, #4 Danielle Mariatt. Falling 11 strokes short of the 328 necessary to qualify for the final day, the men placed 7th at the state meet. The women, in their division, fell even further back at 11th place. Brightest highlights placed men, Jeff Bishop and Steve Abe on the 2nd All Conference Team along with Vicki Parker, Dan Harsall and Jason Jerman received Honorable Mentions.

Experience Based Career Education

Experience Based Career Education gives juniors and seniors a chance to get out in the world and get "hands on" experience at jobs. We've all heard it, do you have any experience? This program is designed to give people that experience. EBCE is for the student that is not sure of what he or she wants to do for a career. Students have a chance to do anything from Scuba Diving to Law Enforcement, or whatever their heart desires. While you are having fun, credits that push you along to graduation are received.

WOMEN IN POLITICS

We attended Girls State in June of 1987. It was a profitable learning experience in which we all learned very much. The hardest part was being interviewed for a delegate and giving an extemporaneous speech in front of family, friends, and last but not least, judges. The beginning of Girls State was extremely stressful. Boarding the bus at 5:30 in the morning, we left Pocatello for Nampa, Idaho. Meeting new friends and new routines, added to the hardships of Girls State. We learned how to face defeat, because we each ran for at

least five offices. We learned how the Idaho government is run by traveling to the state capital and participating in passing bills that many delegates wrote for Girls State. The most important part of Girls State was learning about patriotism and what it really means to each of us. No-one realizes everything put into this country, wars, death, and sadness. Patriotism is the real meaning of the United States-the feeling of being free and the ability to be as we choose

POLITICIANS CHOSEN

The 44th Annual American Legion Gem Boy's State got underway for the 87-88 Seniors on June 6th and continued through the 13th, 1987. The boys left on the last day of school to go to Boise State University, where the Boy's State convention was held. Highland sent six boys: Steve Schossberger, Jay Wheeler, Rand Croxall, Alan Tan, Ryan Geisler, and Travis Bell. Although each of the boys ran for different offices, Steve Schossberger was the only one to make the State Legislature. Steve was chosen as Attorney General. The boys had a very busy week writing and passing bills, and learning about the State Legislature. During the spare time, they had the opportunity to enjoy several activities around the BSU campus. Popular activities were pool, video games, bowling, tennis, and swimming. It was very hard work and the six boys from Highland did very well among the estimated 320 other boys who attended Boys State 87. They represented Highland and the city of Pocatello very well and made us proud.

Summer Fun

Idaho Business Week is a one-week program designed to bring to high school students in the state of Idaho, the inside story on business operations and our private enterprise system. Students from every high school in Idaho applied for a chance to attend one of the two weeks offered. The students selected from Highland (picture at left) were Steve Reed, Jeanie Yorgesen, Jesse Crookston, Alex Constantino, Andrea Rivera, Angela Anderson, Chris Osborne, Holly Gilman, Melanie Herbert, Ryan Astin, Brian Trumble, Jill Gliege, Jackie Payne, Brian Luckey, and Molly McCann. Not pictured were Trevar Daw, Matt Mackey, and Jay Wheeler. These students were in charge of a skit to promote Business Week. Their skit showed many of the aspects of the week-assemblies, company meetings, sessions, tours, and recreation. The students agree that Business Week was definitely the best week of the summer.

11 FOREIGNERS MAKE HIGHLAND HOME

For the 1987-88 school year Highland had eleven students from seven different foreign countries. The seniors were Salla Allas and Minna Sarmala both from Finland, Sofia Gentz from West Germany, Juan Ponsaangemi and Carlos Marhuendalillo both from Spain, Katsuhiko Tsuchiya from Japan, and Camille Westergren from Sweden. The juniors were Heike Fuhs and Cacilie Raiser both from West Germany, Danika Lacroix from Canada, and Leal Fernanda from Rio de Janeiro. "Highland was a lot of fun and I really enjoyed it,"

said Katsuhiko. He also noticed that Highland students do not put a lot of time into studying and that we were more relaxed and usually had a good time. (We try!) It really took a lot of courage to leave your families to come visit our country. We hope you all enjoyed your visit to this country and learned some things from our culture to take home and help bring our worlds closer together. It was really enjoyable for us to see some new faces and hear different languages

She's One of the Best

Highland High was proud to recognize Ruth Orders as "Teacher of the Year." Even though her official teaching career began over thirty-six years ago at Newdale Elementary, she even enjoyed playing teacher during her days as an elementary student.

Ruth taught 2 years at Newdale, 1 year at Rigby Junior High, 1 year at Troy Elementary, ½ year at Firth Elementary, 3 years at Idaho Falls Central Intermediate, 7 years at Idaho Falls High School, 1 year at Skyline High School, and 21 years at Highland High where she is still going strong. She moved about many times when her husband's employment necessitated frequent changes.

For Ruth, as for many now in the field of teaching, an early teacher planted the idea for her to become a teacher. Mrs. Brown was that type of teacher for Ruth.

While in grade school herself, she practiced teaching on her sister and friends, even though they were not always willing students.

Ruth's formal training included an Associate Degree from Ricks College, a B.S. Education Degree from University of Idaho,

a Masters in Education (Reading Specialists) from Brigham Young University, and a multitude of credits from several other universities.

Ruth believes that a love of reading is fostered in the home. She read to her son while he was still in his cradle. As her son grew he read back to Ruth and now follows that practice with his own children. To instill an enjoyment for reading at an early age will hopefully foster a desire to pursue reading as a lifelong leisure time activity.

"I believe that an outstanding teacher is one who can instill in her students a positive attitude toward school and their place in it. Teachers should be actively involved in teaching and maintain high standards for their own performance."

Highland students will best remember Ruth for her work in "Chapter 1 Reading." This course was designed to build reading skills of students who had not yet achieved the required levels of proficiency.

Congratulations from the staff and students at Highland for a job well done and receiving Highland's "1988 Teacher of the Year."

GO FOR THE GOLD

Highland's Special Olympics team of 1988 did very well this year. They brought back a gold medal, silver medal, and two bronze medals. Karl Thyberg, senior, won a gold medal in the 25 meter wheelchair race. Ila Kaye Lewis, sophomore, won a silver medal in the 200 meter run. Mike Dalplaz, senior, won a bronze medal in the 50 meter run, and Angela Wharton, sophomore, also won a bronze medal in the soft ball throw. Every participant came out a winner.

GIFT OF THE MAJI, BYE BYE BIRDIE WERE HITS

The 1987-88 year was a great year for Mrs. Paula Bunce and her Thespians. She started the year off with a spook alley on Halloween night. The spook alley was a big smash. The drama department presented two plays. One was "The Gift of the Maji." This play was about two lovers who gave their most valuable possessions to buy the other a Christmas gift. The second hit was "Bye Bye Birdie." The play was about a rock star who shakes up a small town, especially a young man whose girl was to receive the last kiss before his departure into the army. The annual class acts were "Pigman," "Ledge Ledger Legend," "Early Frost," "Plots," and "The Suicide

Club." "Pigman" was about two kids who always played prank phone calls, the last phone call may have been one too many as they learn to love a lonely old man. "Ledge Ledger Legend" was a comedy about a man who wanted to commit suicide by jumping off a ledge. Just as he was about to jump a strange man came out on the ledge and explained to him the right way to jump. "Early Frost" was about an old woman who had locked her playmate in a chest in an attic as a child. "Plots" was about a woman plotting to lock her husband in a casket so she could run off with her lover. "The Suicide Club" was chosen for Festival where it received an Excellent

LOOKING FORWARD

Nena Bolan received her first degree, BA English, in 1976 from the University of Texas in Dallas. She then entered the job market as a researcher for Land Title Insurance. In 1982, Nena returned to school at the University of Idaho to gain her teacher education certification. With her certificate in hand, she searched northern Idaho for a teaching position. When she was unable to locate a teaching vacancy, Nena began working with the vocational adult

rehabilitation program in Coeur D' Alene.

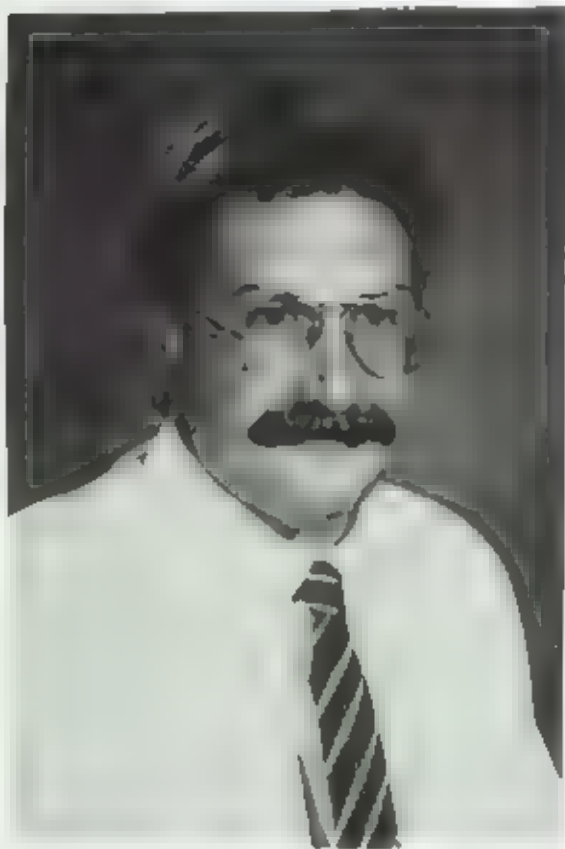

In the fall of 1984 Nena took an English teaching position at Jerome High School. With just one year of service at Jerome High, she transferred to Pocatello following her husband Dennis who had just been granted a teaching position at Hawthorne Junior High. Once again she found no English teaching positions open so she became a substitute teacher in School District #25.

One of her most rewarding achievements has been serving as Chairwoman for the Secondary Young Authors of South Eastern Idaho. She took on that responsibility in 1986 and still holds that position as we go to press.

In the fall of 1987, she was added to the English staff at Highland High. After one year and discovering the many benefits available to Florida teachers, both Nena and her husband are moving to Florida. This move leaves Pocatello shy two teaching positions.

While in Florida, Nena will teach and return to school as a student in search of her Master Degree in Fine Arts (Creative Writing) — M.F.A.

The staff and students of Highland will miss you; however, we realize many teachers wish to advance and we wish you well in that endeavor.

Ken Anderson began his training in the educational field at Upsala College in East Orange, New Jersey. Graduating with a B.A. in Anthropology brought him to Idaho State University where he became a teaching assistant in the Department of Anthropology. At I.S.U. he has done graduate work toward Education Specialist and received Administrative and Teacher Certification. During this schooling he was Education Coordinator of Idaho Museum of Natural History,

a Forest Archaeologist at Salmon National Forest, and a Social Studies Teacher/Athletic Coach at Alameda Junior High.

Donna Matovich began her teacher training at Umpqua Community college in Roseburg, Oregon. She received her Associates Arts Degree from Umpqua in 1981. With a desire to further her education she enrolled at Oregon State University. Donna acquired her Agriculture Position at Highland High in the Fall of 1984. Donna began teaching Agriculture I,

II, III, and Consumer Math. In 1985 she added pre-algebra to her teaching assignment and dropped Consumer Math. Trying to build the agriculture program, she re-wrote the agriculture program, dividing the general program into many specialized areas of study. Animal Science, horticulture, introduction to agriculture (old structure), agriculture mechanics (small engine repair), and biology made up her teaching day. The 1987 year brought low enrollment and the program offerings were decreased to only two classes; crops and soils and agriculture business.

When school district curriculum officials displayed too much uncertainty about continuing the agriculture program at Highland, Donna decided to return to school and broaden her education. She enrolled at Idaho State University to pursue an elementary education degree. In the end of the summer of 1988, she will have accomplished that goal and be ready for a new challenge.

While teaching at Highland for four years, Donna was also active in the Baptist Church. She served as a camp worker at the Cathedral Pines Camp near Ketchum, Idaho, sponsored by the Baptist Church. In the four years, she served as a cook one summer and a counselor the next three summers.

Donna plans to return to her home in western Oregon to enter the private work sector or teach 5th or 6th grade pupils.

Outside the work area, she is anxious to get home to her horse, black sheep (Romneys), and help her mother spin wool and tan hides. Her mother, Pat, runs a shop where their homemade wool fleece novelties are marketed.

We at Highland wish you success in your new undertaking.

In 1984 he came to Highland High School as Assistant Principal. During the past four years at Highland he has directed and evaluated all athletics and activities, oversaw the Special Education Program, assisted with discipline problems along with many other responsibilities. The past two years he has been Chairman of the Highland High School Endowment Fund raising money to improve the education facilities.

Ken's final goal is to secure a position in Secondary Administration as a high school principal. As a step toward achieving that goal, Ken has decided to accept an administrative position at Boise High School.

The staff and students of Highland will greatly miss you but we wish you the best in your new position.

MEMORIAL SERVICES HELD FOR TWO RAMS

Justin was born March 30, 1972. He loved to learn of new things and especially liked to read. Justin tried his hand at many things although his favorites were playing soccer, skiing, and art. Justin's red hair made him stand out while he was playing soccer. Parents of the other team would often yell "watch out for the redhead." He started skiing at the age of four and never stopped. Everyday except Sunday, Justin would work from 6:30 a.m. until 9:00 or 10:00 at night. He worked throughout the summer and by mid July he had acquired a driver's license, a XR 500 motorcycle and a sense of accomplishment. On August 18, 1987 Justin Carter Yost left this life in a freak accident where he worked. Only fifteen years old, and about to be a sophomore at Highland. Justin had lived a busy full life that touched and was touched by many other lives.

Lisa was born November 1, 1971. She was involved with many different and exciting activities. Lisa enjoyed school and hanging out with friends. One of her favorites was singing, as she did with the Highland Trouveres. Another was being involved with Jobe's Daughters. Collecting geese of many kinds was perhaps her most unusual pastime. Lisa loved life and everything around her. When someone else was depressed Lisa could always brighten up his day with just a smile or a laugh. She wasn't someone who was always looking down on life, in fact, she never was. She took all of the good she possibly could and made all of us feel good as well. On November 14, 1987 Lisa Katherine Wright was involved in a fatal car accident which took her precious life. She left something with all of us that will never be replaced or forgotten. As we remember these things we have to laugh a little because Lisa will always make us smile.

YEAR END ACTIVITIES

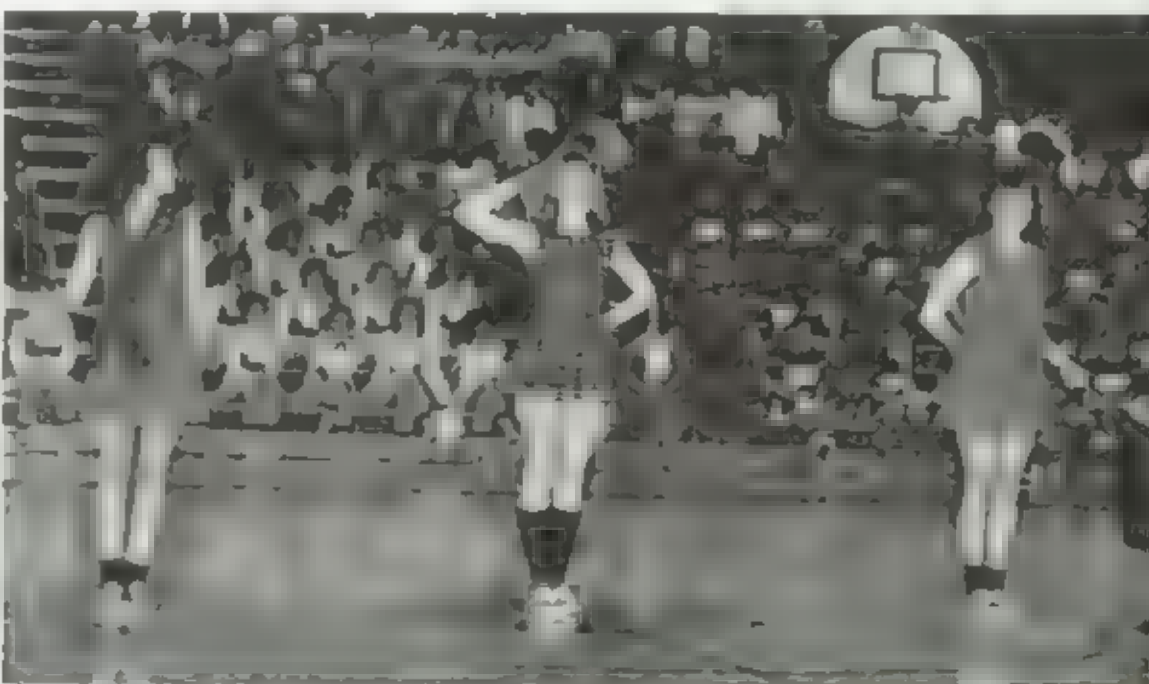

The Scotties perform their competition drill with style

The gorgeous senior Lassies show off their beautiful prom dresses after the Fling.

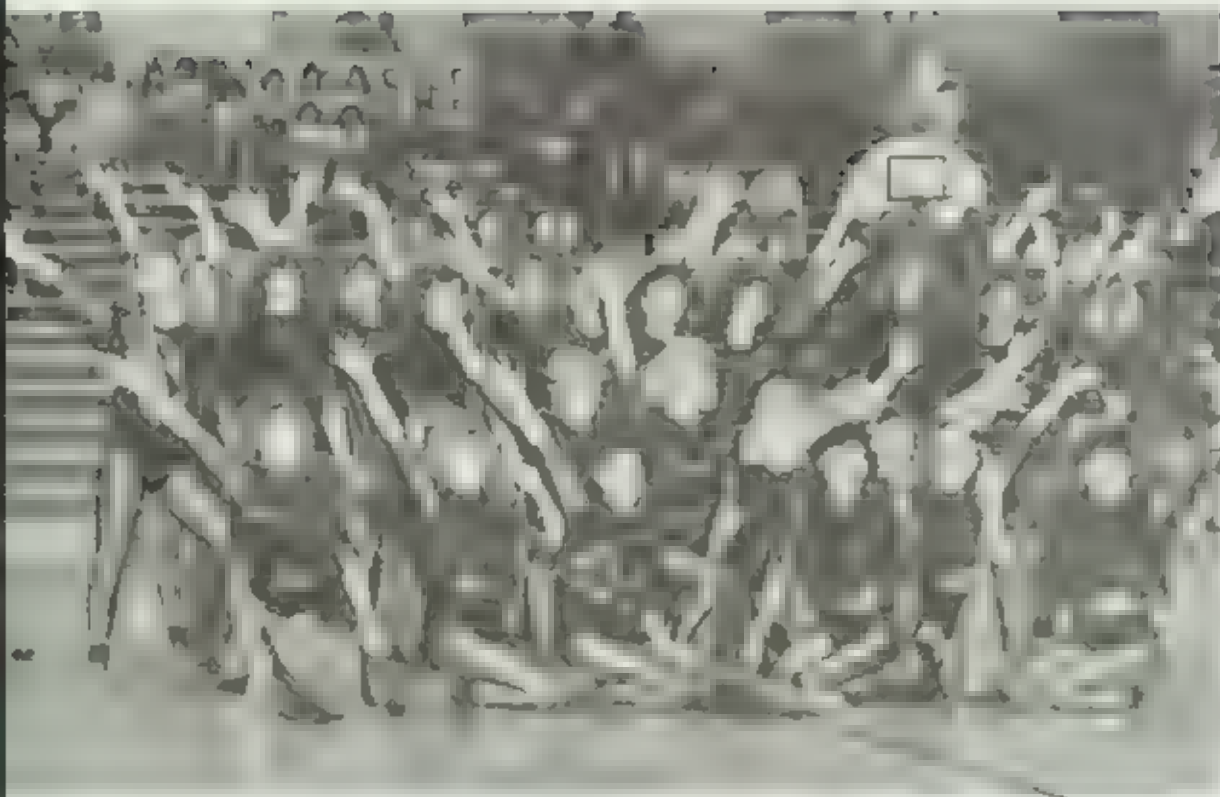

Kara and Melanie drill with super smiles and class

The Lassies and Scotties were a blast from the past as they modeled old costumes

For being pirates, the novelty Lassies sure do have pretty smiles for the crowd.

The Scotties show a lot of excitement as they end their drill for the last time

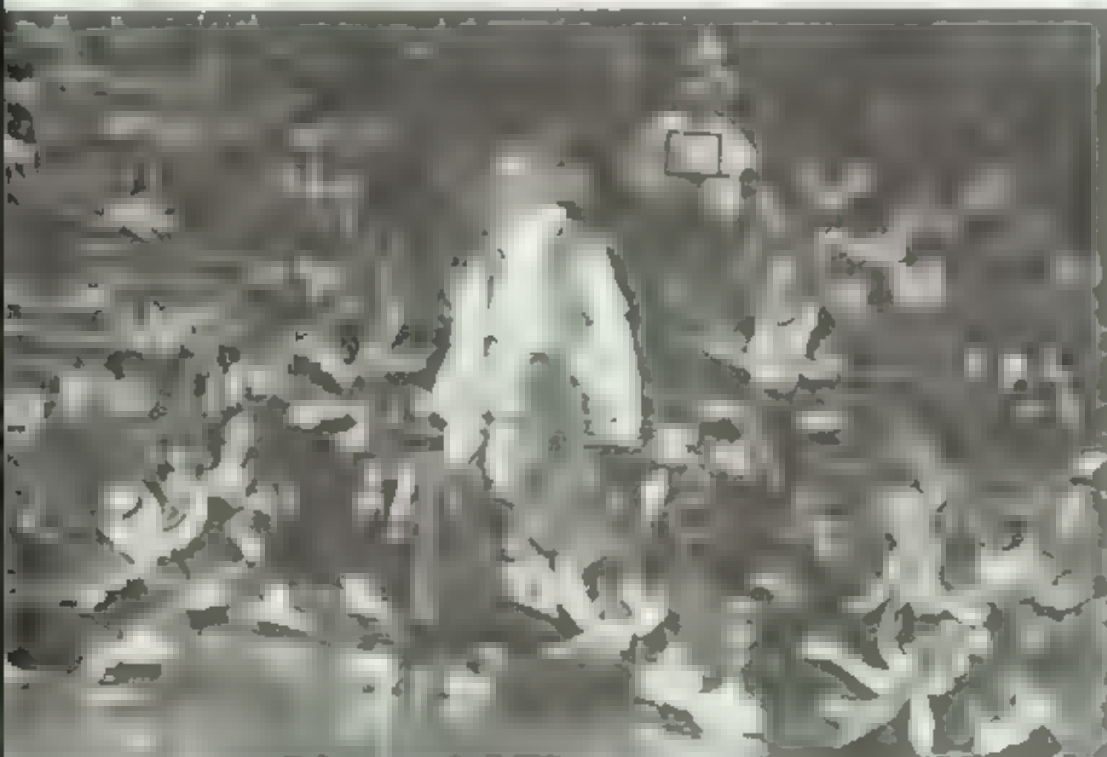

Michelle gives her best smile after the Scottish.

These two Scotties model their costumes and flags used from long ago.

The Scotties had the opportunity this year to make their own costumes

The Lassel pirates aren't afraid of anyone but Ryan Gillette(head pirate)

THIS IS IT- 25 YEARS

Jackie Beem was in charge of the annual Lassel-Scottie Spring Fling held on May 4, 1988, the theme for the fling was "This is it," and the "25 anniversary of the Lassies." During the fling the Lassies and Scotties modeled costumes from the past 25 years and surrounding jr. high schools participated by performing their drills. That was followed by a slide show which presented the Lassies throughout the past 25 years. The grand finale was the gorgeous senior Lassies being introduced and escorted out on the floor by their fathers. Last year's Spring Fling was no doubt a terrific success for all Lassies

SENIOR

This years Senior Sneak was a great farewell for the Seniors. Right after the Senior Showdown the Seniors made their way to their first stop, Salt Lake. The sneak started off with a line of about 50 cars all heading to Utah to ride the rides. When the Seniors finally got there, they took time to relax. Many students ordered pizza. That night they made their way to The Bay and danced the night away

Sky Ride

SNEAK

Saturday came early to most of the seniors. They drove to Lagoon and rode the rides including Collosus, Centennial Screamer, Wild Mouse, Jet Star, Log Ride, and many others. Seniors got their fair share of thrills and happy times. Lagoon was overrun with Highland Rams. Most students spent the night at different motels in Salt Lake and surrounding areas. They made good use of the midnight hours by pestering people, or just plain "having fun". Most of the seniors went to the malls on Sunday because of the bad weather but that didn't dampen the fun for the Seniors, they still had a great time

Brenda Terry and Brandee Hanncock ride the sky ride to check out all the gorgeous guys at Lagoon

Trevor Daw, Randy Elsethagen, Mike Jablonski, Scot Birrell, finally won a big prize

LAST GOODBYES

The Senior Assembly was different this year than others held in the past. The assembly began with a skit about the early morning rituals of a high school student. Gary Fisher and Mike VanOrden displayed their musical abilities by singling and performing their own song. A slide show was presented which reflected the memories of the 1987-88 school year. To end the assembly, the Senior class song was sung by Ryan Geisler and Norma Allen. The assembly came to an end when all the students converged on the gym floor to say their last goodbyes to the seniors.

SENIOR BREAKFAST

On June 2, 1988, the graduating class of '88 headed to the ISU SUB Ballroom for their senior breakfast. Before turning loose on the buffet of eggs, hash browns, bacon, ham, sausage and assorted pastries, an opening prayer was led by Julie Longmore. After everyone had their fill, Alan Tan gave a farewell speech to the group. Then, Vice Principal, Ken Anderson, proceeded to recognize the outstanding graduating athletes. After which, Melissa Jensen strolled down memory lane with thoughts of the bribery which took place to make students come back year after year. "Freinds are Freinds Forever" was then performed by Lisa Winters and Ryan Geisler with accompaniment by Erin McIntosh. This was then followed by Kirk Rawlins speech on success and determination. Another musical number called, "We Will Still Remember This," was performed by Kim Cluff, Ressa Chugg, Kim Baker, Gordon Holt, Erin McIntosh, Nate Ricks, Jason Woodard, Doug Clawson and Lisa Winters. Final words were said by Susan Goodhife and Jennifer Watkins, with a closing prayer by Rand Croxall. After the Breakfast, everyone headed to the Minidome for commencement practice.

Heather is amazed at Andy's talent after 12 years of schooling.

Alan Tan wishes his fellow graduates long and prosperous lives.

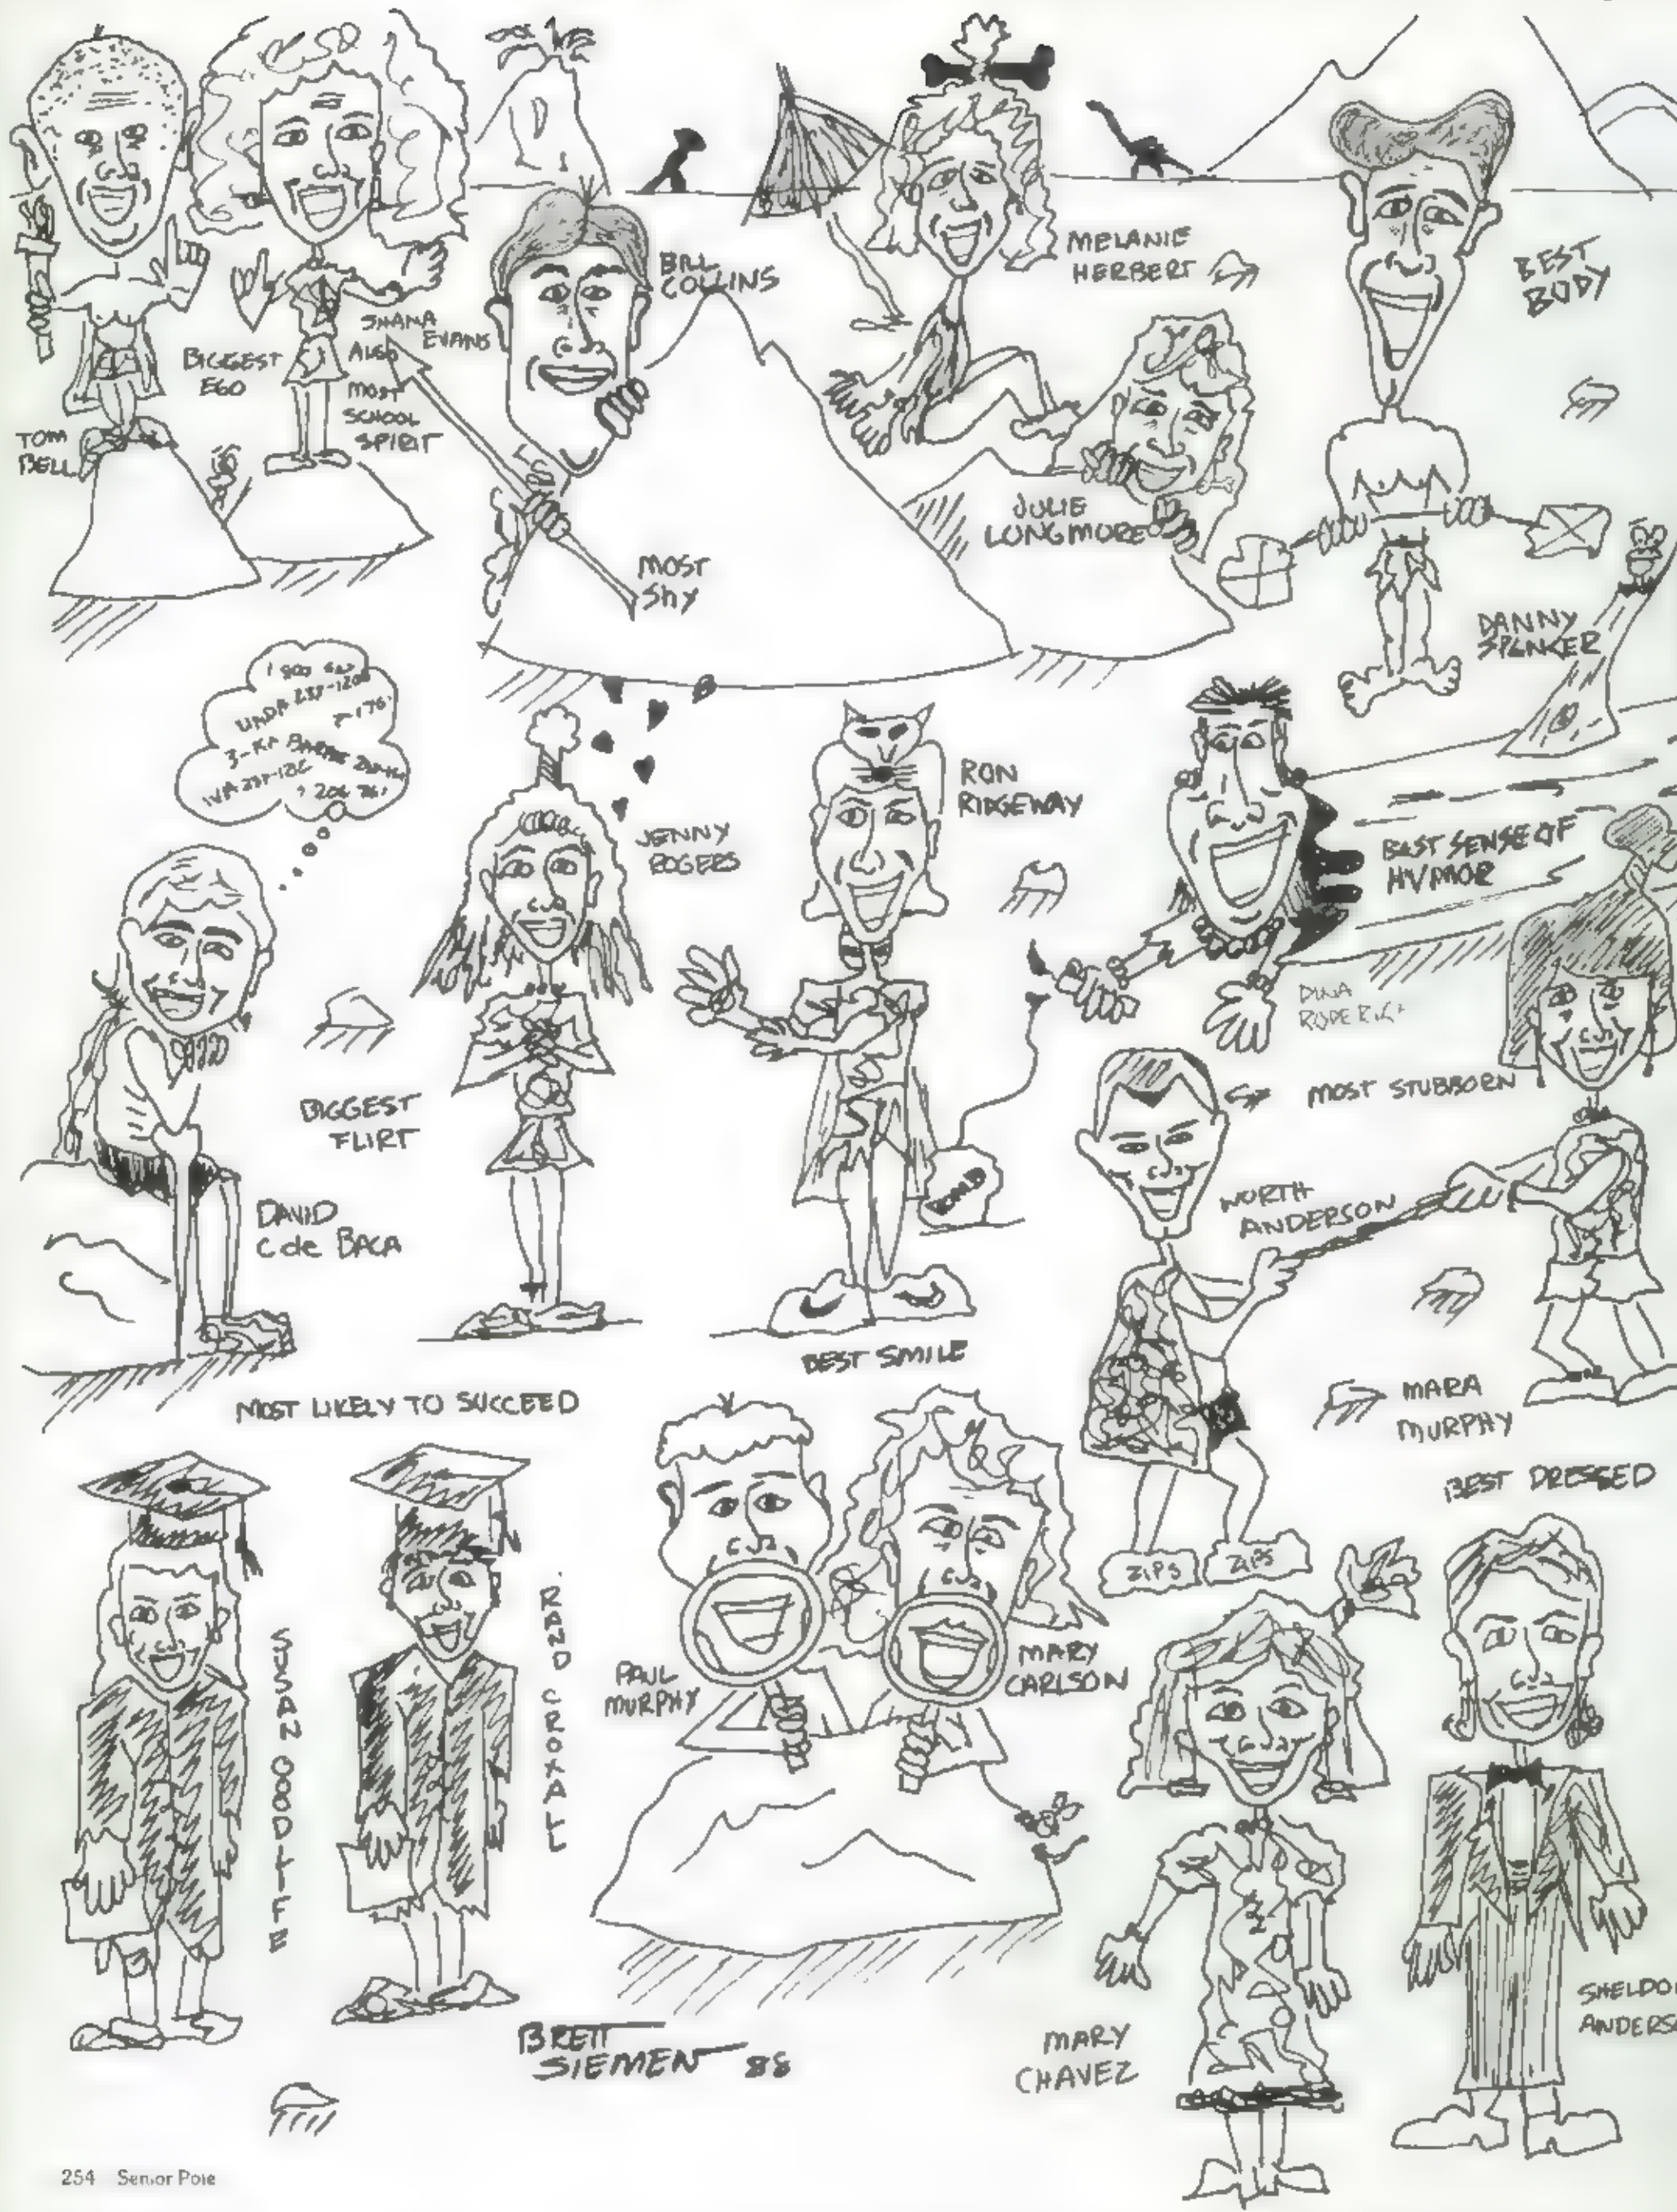

Gee Lance, would you maybe like some food with your ketchup?

Marnie Magel and Kimille Christensen eagerly wait for breakfast.

American food leaves a lot to be desired, thinks Carlos Marhuenda.

GOODBYE 88

The 1988 Senior Class of Highland High School held their Commencement Exercises on Thursday, June the second, nineteen hundred and eighty-eight at the Idaho State University Minidome. The ceremony began with the National Anthem sung by Jenni Wheeler, Jay Wheeler, Julie Longmore, Jason Woodland, Lisa Winters, Erin McIntosh, Bud Cranor, and Ryan Geisler. The Invocation was given by Janine Whetten. The speakers were introduced by Steve Schossberger. The first speaker was Troy Shiozawa. Troy spoke about goals, telling his fellow classmates, "The only goals we cannot achieve are the ones we let someone take from us." Troy was followed by David England who spoke on determination. He said, "If we use our life with dedication and determination, we can accomplish anything." Travis Bell was the third speaker. Travis spoke of the people who made this night possible for the graduating class. The teachers, coaches, advisors, and parents who have dedicated their lives to serving others, who have made us what we are today, and it is them who we should strive to be like. Following Travis' address the Highland Symphonic Band played "English Folk Song Suite MVT. III." Angela Anderson followed with an encouraging address to the Senior Class, "Face the obstacles that come your way, and use them as stepping stones. Meet them head on and remember the opportunities afforded us at Highland and continue to overcome as we move on in life." Following Angela, Jenni Wheeler spoke. She gave encouragement to those seniors who are not sure what they are to be in the future. "Try your hand at many things and don't worry if you don't know exactly where you are headed. Explore all your interests. But no matter what, don't give up your dreams." After Jenni, the choir sang "Together We Stand" which they dedicated to the Senior class for the times we have shared together and the times yet to come. The keynote speaker was Senator James A. McClure. His message to the Graduating Class was that education is the key to being able to change your lives. "You can't be ignorant and be free. This country's strength is derived from its people, not its government," He encouraged the class to chart a progressive course in continuing their education. "Educated people can be lead; however they cannot be driven nor enslaved." After Senator McClure's address, Jay Wheeler gave remarks to the class about the year. He thanked them for the good time and wished them the best of luck in future endeavors. Now the long awaited moment had arrived; it was time for the seniors to receive their diplomas. Principal Bob Goold presented the class to Mrs. Ann Finlayson. The names of the graduates were read by Mr. Marvin McCall. After each senior had received his diploma, the class rose to sing "Loyalty." The benediction was given by Erin Porter.

LAST NIGHT TOGETHER

After the Graduation Ceremony the Class of 1988 returned to Highland for their Senior All Night party. The theme of the party was the Olympic games. Into the gym the '88 graduate contestants went to earn Ram Bucks in the different Olympic areas which included downhill skiing, archery, basketball, the luge, hockey, the long jump, three legged races, and target shooting. The Ram Bucks could then be used to buy exciting prizes which ranged from pop to t shirts to a TV! After the games were over, most of the students went to the cafeteria to dance the night away and enjoy the buffet table, pop, and ice cream. Others made their way to a mini-theatre to watch movies. Free pictures were taken throughout the evening to capture the friends and the friendships which were increased by the night. The Senior Allnighter was full of excitement for everyone. It will always be cherished as the Class of 88's last night together.

Mary, Nikki, and Michelle enjoy the buffet dinner after winning \$500 Ram Bucks in archery.

David, Danny, and Kirk agree that graduation is a time for friends.

"I can't believe it! This is just like skiing in Jackson Hole!"

After much practice, Kathy & Rick were able to knock over the cans

Scott,
Hey there big
guy! well we had
some pretty awesome
times in track in class
I am glad we got to be such
good friends! You awesome!
good luck in the Reserve
have,
Scott

Scott,
you are a
really neat guy
I wish you loads of
luck in the future
take care
love,
Holly Gilman

saved

Scott,

There are so many I want to say to
you but not enough time or paper in this whole
world. I know that this is hard for you cuz it's sure
for me. I wish things could be different, I
really do!! I love you so much and this
whole thing is killing me and you. I know right
Now I'm holding on to all the beautiful
memories and everything you taught me.
I feel so numb and alone. I'm sorry about
everything you have to hear. I know it's hard **I'M SORRY!!**
I hurt all over and I'd rather be dead than to see you
hurting like you do. I love you and I'll never feel that
you promised me you'd never give up and that
you would at least try and look into the church not
by reading things against it either. I wish I could die
and come back and show you And tell ~~you~~ you the truth.
oh babe I wish we could work things out. Everytime
I talk to you I feel like I don't know you anymore
And you And I was just a dream, And you don't love
me anymore and then I hurt sooo bad but then
I see how bad you're hurting with everything and I
know you must think I don't love you anymore
but I do not think I hurt to see you -
hurt. I keep thinking of that prayer that sits in
both our rooms. I don't know the go 4 years in the navy. I still
need you very much. I hope you don't
I guarantee this letter
I will not be the
last I write.
